

# FORT WORTH WATER CONSERVATION PROGRAMS

Every Drop Count\$—Save Water, Save Money

## Indoor Conservation

### SMARTFLUSH TOILET PROGRAMS

Free water-efficient, low-flow toilet replacements for residential and commercial customers (Voucher, CARE (low-income or age) or Commercial)

### WATERSENSE PRODUCTS

Look for the WaterSense label on plumbing fixtures and appliances to improve water efficiency.

**FIX LEAKS** Household leaks waste more than 1 trillion gallons of water per year in the United States.

## Outdoor Conservation

### YEAR-ROUND OUTDOOR WATERING RESTRICTIONS

No watering with irrigation systems from **10 a.m. to 6 p.m.** Fort Worth enforces **twice-a-week irrigation watering days**. Handheld or soaker hose and drip irrigation allowed anytime.

### SMARTIRRIGATION

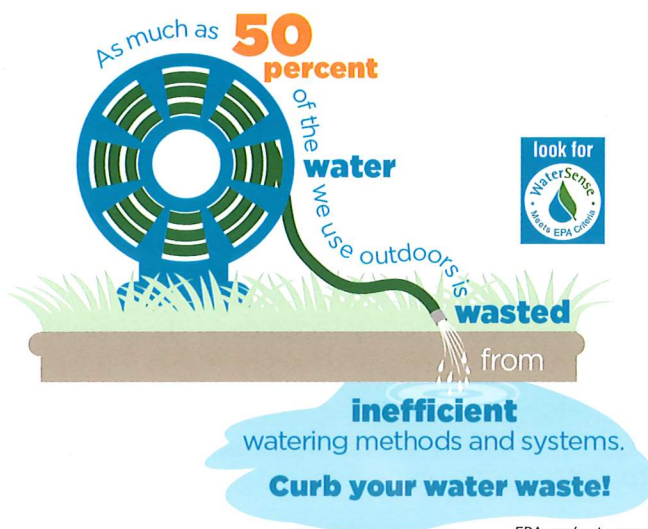

Free irrigation assessments/recommendations by licensed professionals for residential & commercial water customers.

### REPORT WATER WASTE

Report the location, time and date of watering violations at <https://fortworthtexas.gov/savefwwater/report/>.

### WEEKLY WATERING ADVICE

Sign up at [WaterIsAwesome.com](http://WaterIsAwesome.com) for a weekly email or text with how much watering is recommended for your address.

## Business Conservation

### SMARTWATER ICI ASSESSMENTS

Free comprehensive water assessments by licensed professionals to help industrial, commercial and institutional water customers reduce water consumption and costs.

## Engage with Us

### CLASSES AND SEMINARS

Learn from our expert partners how to use water wisely when gardening and landscaping.

### EVENTS & PRESENTATIONS
