DETAILED PROJECT DESCRIPTION

Please provide a detailed summary of your proposal below. This should include a detailed description of the proposed use and reason for rezoning, how this use is compatible with surrounding land uses and the City's Comprehensive Plan, and any other details relevant to your request. Feel free to attach additional pages, concept plans, etc. as needed.

For PD or CUP requests, please explain why your proposal cannot be accommodated by standard zoning districts, clarify if any waivers are being requested and why, and detail any changes from previously approved site plans or development standards.

We anticipate the office will occupy a modest space (approximately 10 x 10 ft) where we can conduct administrative work, meet with students and families, and also have a parking space in the rear of the church lot for our training truck - so students can study and see a real truck on site.

We are currently in the process of applying for a Conditional Use permit (CUP) through the City of Fort Worth. Our proposed office location is at 4000 E Berry St, Fort Worth, Texas 76105, which is inside the building of Samaria Baptist Church (the church campus). Currently the church zoning is "CF", which restricts an office use under existing rules, so we are requesting the CUP to allow an office use at that location.

List what's going in office / what's truck will be used for
