Selection Process

Application Screening: The Office of the Governor will screen all applications to ensure that they meet the requirements included in the funding announcement.

Peer/Merit Review: Projects will be reviewed by a panel of experts from the Governor's Sexual Assault Survivors' Task Force (SASTF) SANE/Forensic Expert Working Group in an effort to prioritize funding. The merit review panel will assess, score and prioritize each application, and then report its findings to the executive director. Scores will be based on standard criteria.

Final Decisions: The Office of the Governor will make all final funding decisions. Other factors may include cost effectiveness, overall funds availability, state government priorities and strategies, legislative directives, need, geographic distribution, or other relevant factors.

The Office of the Governor may not fund all applications or may only award part of the amount requested. In the event that funding requests exceed available funds, PSO may revise projects to address a more limited focus.
