

Reporting COVID-19 Vaccines/Therapeutics in the TDEM/DSHS Portal

Facility: <Fill In Name Of Facility>

Facility Identification Number: <Fill In UFID>

You are receiving this email because your facility has received an allocation of vaccines and/or monoclonal antibodies for COVID-19. Texas Division of Emergency Management (TDEM) requests that you submit information through the TDEM portal provided below, in addition to current tracking in ImmTrac2.

We are aware of the increased number of reporting requirements related to vaccines and therapeutics that are asked of you, and we are doing our best to streamline the inquiries with your assistance. We really appreciate the work of our hospital partners across the state in reacting to this crisis.

If you have any issues pertaining to the system, requests, or questions, please send an email to vaccines@tdem.texas.gov
