

Positive Behavior Management and Support Workshops

The Texas Health and Human Services Commission (HHSC), in conjunction with the University of North Texas, is hosting six free Positive Behavior Management and Support (PBMS) workshops.

PBMS: This workshop is designed to help attendees learn techniques for supporting positive behavior, including strategies and techniques for the prevention of problem behavior.

Advanced PBMS*: This workshop focuses on Efficient Functional Assessments. It is designed to help attendees learn techniques for developing and carrying out assessments and analyses to understand why problem behavior is occurring and assist in designing individualized treatments.
