PASRR CONFERENCE

2016 - 2026

**Free Virtual Conference
Nov. 5, 2026**

This one-day conference features:

A keynote by Carol Egele, distinguished public servant and organizational leader, on empowering direct care professionals with confidence, advocacy skills, and self-care to strengthen Preadmission Screening and Resident Review (PASRR) outcomes and support person-centered care.

Breakout sessions focused on navigating complex PASRR cases for mental illness and intellectual and developmental disabilities (IDD) through interactive scenarios, role-playing exercises, and collaborative discussions featuring best practices from Contracts Accountability and Oversight, local authorities, and an ombudsman-led case scenario.

Who should attend:

- Nursing facility staff
- IDD providers
- Local IDD authority staff
- Local mental health or behavioral health authority staff
- Hospital social workers and discharge planners
- PASRR program recipients and their families

Continuing education credit for multiple disciplines will be provided. Details available at registration.

**Registration opens in
September 2026.**
