

NEW YEAR NEW COMMUTE WITH METRO

Looking to make a positive change this new year?
Upgrade your commute with **METRO Van** and **METRO Park & Ride**.

METRO Van

METRO's regional vanpool service is designed to alleviate the stress of your daily drive to work. Vanpool participants can enjoy cost savings by sharing commute expenses, time efficiency through HOV lane access, and contribute to a greener environment by reducing the number of cars on the road. Routes can start or end anywhere in the Greater Houston 8-county region - including Harris, Brazoria, Waller, Liberty, Chambers, Montgomery, Fort Bend, and Galveston. Our team of commute experts is ready to assist you in joining an existing route or connecting you with commuters who have similar travel patterns to create a new group.

METRO Park & Ride

If you reside beyond the 610 Loop and require a convenient commute to Downtown or the Texas Medical Center while saving costs and enjoying a comfortable commute, consider opting for an express bus. Operating primarily on HOV (High Occupancy Vehicle) lanes, these buses minimize stops, ensuring a swift and efficient travel experience. This service extends its reach to various regions, including Cypress, Grand Parkway, Bay Area, Spring, Addicks, and more.

- 28 Park & Ride locations
- Customer parking
- Vanpool and Carpool accessibility
- HOV/HOT access
- Direct service
