

Election Advisory No. 2024-17

November 5, 2024 Election and December 14, 2024 Runoff Election Law Calendar

The uniform election date in November of even-numbered years, by statute, is the general election date for federal, state, and county officers. Additionally, many local political subdivisions have their regular general election for members of their governing bodies in November of even-numbered years, or they may order special elections for this date to vote on propositions or to fill vacancies. Therefore, this calendar is required to meet the needs of many different governmental bodies. If there are questions about the applicability of something in this calendar to your specific election, do not hesitate to call the Elections Division of the Office of the Texas Secretary of State at 1-800-252-VOTE (8683).

House Bill 357 (88th Leg., R.S., 2023) amended Section 2.025 of the Texas Election Code to require the Secretary of State to set the runoff date for all runoff elections resulting from an election held on a uniform election date. Pursuant to Section 2.025, the Secretary of State has designated Saturday, December 14, 2024 as the election date for all runoff elections resulting from elections held by local political subdivisions on the November 5, 2024 Uniform Election Date.

NOTE: Updates to the calendar will be made to the web version of this calendar. The web version is located on the Secretary of State's website on the applicable [Conducting Elections](#) page.

3. Notice of Web Posting

Please see our Web Posting Advisory, [Tex. Sec’y of State Election Advisory No. 2019-19](#), for more details on web posting requirements; however, the requirements are summarized below.

As of January 1, 2020, each county *shall maintain* a website. (Sec. 26.16(a), Tax Code).

All political subdivisions with the authority to tax that maintained a publicly accessible a website any time after January 1, 2019, and that are not subject to Section 2051.202 of the Government Code must post the following items on the entity’s internet website (Secs. 2051.201, 2051.202, Government Code). See [Internet Posting Requirements for Political Subdivisions \(PDF\)](#):

1. The political subdivision’s contact information, including a mailing address, telephone number, and e-mail address;
2. Each elected officer of the political subdivision;
3. The date and location of the next election for officers of the political subdivision;
4. The requirements and deadline for filing for candidacy of each elected office of the political subdivision, which shall be continuously posted for at least one year before the election day for the office;
5. Each notice of a meeting of the political subdivision’s governing body under Subchapter C, Chapter 551 of the Government Code; and

6. Each record of a meeting of the political subdivision's governing body under Section 551.021 of the Government Code. (Sec. 2051.201, Government Code).

Our office recommends consulting with your political subdivision's local counsel regarding the particular posting requirements under Subdivisions (5) and (6) referenced above. Please note, the requirements for posting notice of meetings and record of meetings of the political subdivision's governing body do not apply to:

1. A county with a population of less than 10,000;
2. A municipality with a population of less than 5,000 located in a county with a population of less than 25,000; or
3. A school district with a population of less than 5,000 in the district's boundaries and located in a county with a population of less than 25,000.

NOTE - Section 2051.202 of the Government Code requires a special purpose district with certain financial and population characteristics to post specific information on an Internet website. "Special purpose district" excludes from the term a municipality, county, junior college district, independent school district, groundwater conservation district, river authority, or political subdivision with statewide jurisdiction. (Sec. 2051.202, Government Code).

NOTE - NEW LAW: SB 477 (2023, R.S.) amended Section 63.0015 of the Code, effective June 18, 2023, to require that an election officer post in an accessible manner on the county clerk's/election administrator's Internet website all procedures and accommodations available for voters with disabilities.

During the 21 days before the election, a debt obligation order under Section 3.009 must be posted on the political subdivision's Internet website, prominently and together with the notice of the election, a copy of the sample ballot, and the contents of the proposition, if the political subdivision maintains an Internet website. (Sec. 4.003(f)).

NOTE - Per Section 4.009 of the Code, not later than the 21st day before election day, a county that holds an election or provides election services for an election must post certain information related to their upcoming elections. A city or independent school district that holds an election and maintains an Internet website must also post this same election information on their website even if the county is also posting this data.

- The date of the election;
- The location of each polling place;
- Each candidate for an elected office on the ballot; and
- Each measure on the ballot. (Sec. 4.009).

NOTE - Section 65.016 of the Code requires a county that holds an election or provides election services for an election for a public entity to post certain information on their website. A city or independent school district that holds an election and maintains an Internet website must also post certain information on their website related to election results, even if the county is also posting such information. Information should be posted **as soon as practicable after the election** and must be accessible without having to make

more than two selections or view more than two network locations after accessing the home page of the county, city or school district, whichever is applicable. Required information on the websites must include:

- the results of each election;
- the total number of votes cast;
- the total number of votes cast for each candidate or for or against each measure;
- the total number of votes cast by personal appearance on election day;
- the total number of votes cast by personal appearance or mail during the early voting period; and
- the total number of counted and uncounted provisional ballots cast. (Sec. 65.016).

We recommend that election results information remain posted on the entity’s main page (or within two clicks of the main page) at least until the next election, and that the information continues to be available for the full 22-month retention period for election records. Entities may choose to make older election results information available on their website.

NOTE - NEW LAW: HB 2800 (2023, R.S.) amended Section 51.002 of the Code, effective September 1, 2023, to require that notice of a meeting of the county election board be posted not later than 48 hours before each meeting. The county clerk/elections administrator shall post notice of the meeting on the county’s website, if the county maintains a website.

4. Consolidating and Combining Precincts

NOTE - NEW LAW: SB 924 (2023, R.S.) amended Section 42.0051 of the Code, effective September 1, 2023, to apply **only** to counties with a population of less than 1.2 million that do not participate in the countywide polling place program. In a general or special election for which use of county election precincts is required, the commissioners court may, on the recommendation of the county election board, combine county election precincts notwithstanding Section 42.005 if: (1) the commissioners court cannot secure a suitable polling place location; and (2) the location of the combined polling place adequately serves the voters of the combined precinct. A combined precinct may not contain more than 10,000 registered voters. [Tex. Sec’y of State Election Advisory No. 2023-11](#).

NOTE – Counties that participate in the countywide polling place program under Section 43.007 of the Code can no longer combine precincts. This means that countywide counties can no longer consider the combination of precincts when they are making their determination regarding the required number of countywide polling places under Section 43.007(f) of the Code.

NOTE – Counties that do not participate in the countywide polling place program under Section 43.007 of the Code and that have a population over 1.2 million cannot combine election precincts.

NOTE - Counties that do not participate in the countywide polling place program under Section 43.007 of the Code but have a population under 1.2 million can only combine if the commissioners court cannot secure a suitable polling place location and the location of the combined polling place adequately serves the voters of the combined precinct.

5. Required Use of County Polling Places

Political subdivisions holding an election on the November uniform election date MUST use county election precincts and the county polling places on election day. This is the case even when the county has adopted the **countywide polling place system**; in that case the entity **must** have a presence in every countywide location in the county, not just the locations physically within the territory of the political subdivision. (Secs. 42.002, 43.004, 43.007(e)).

NOTE: As this election is being held on the date of the general election for state and county officers, no consolidation of county election precincts may occur. (Secs. 42.002(b), 42.008, 42.009).

NOTE – When a county is using the countywide polling place program and a court order requires any of the polling locations to remain open past 7 p.m., then ALL countywide polling place locations MUST remain open for the same amount of time, as required by the court order. (Sec. 43.007).

In an election held by a political subdivision other than a county on the November uniform election date, and in which the political subdivision is not holding a joint election with a county or has not executed a contract with a county elections officer under which the political subdivision and the county share early voting polling places for the election, the political subdivision must designate as one of its own early voting sites one of the early voting sites established by the county that is located in the political subdivision. If such a shared polling place is designated as the main early voting polling place by the political subdivision, it must be open for voting for all political subdivisions the polling place serves for at least the days and hours required of a main early voting polling place for the political subdivision making the designation. (Secs. 85.010, 85.002).

6. Notice of Candidate Filing Periods

The authority with whom an application for a place on the ballot is filed must post a [Notice of Deadline to File an Application for Place on the Ballot \(PDF\)](#), listing the filing period dates in a building in which the authority maintains an office. The notice must be posted not later than the 30th day **before** the first day to file. (Sec. 141.040). If you order a special election to fill a vacancy, the order must include the filing deadline; we recommend posting the notice of the filing period as soon as practicable after a special election is ordered. Note that an application for a place on the ballot for a special election may not be filed before the election is ordered.

NOTE – The authority with whom an application for a place on the ballot is filed **MUST** designate an e-mail address in the notice required by Section 141.040 of the Code for the purpose of filing an application for a place on the ballot. (Sec. 141.040).

Most elective offices now require that a candidate be a registered voter of the territory that the office is elected from as of the filing deadline or as of other statutory deadlines. (Sec. 141.001). For more information on the candidate voter registration requirement, see [Voter Registration Requirements for Candidates](#).

For more information on local political subdivision elections, see [the Candidate's Guide for Local Political Subdivisions](#).

7. Joint Election Requirement for School Districts

School districts conducting trustee elections must have joint polling places on election day with either:

1. a city holding an election on the uniform election day (located wholly or partly within the school district's boundaries);
2. a public junior college district if it is having an election for members of its governing board in which the school district is wholly or partly located;
3. in limited circumstances, a hospital district; or
4. the county on the November uniform election day in even-numbered years.

For purposes of this calendar, we will continue to use separate subheads for cities and school districts when their rules are different. However, many entities will be working out joint election agreements. (Sec. 11.0581, Texas Education Code; Sec. 271.002, Election Code).

NOTE – At minimum, a school district needs to share polling places with a city or public junior college district conducting an election on the uniform election day. Sharing polling places is sufficient to meet the joint election requirement.

For more information on joint elections for school districts, see [Mandatory ISD Joint Elections FAQ](#).

8. Joint Elections Generally

Many entities will have joint elections for the November 5, 2024 election. Note that the entries in this calendar are generally written in terms of elections held individually rather than jointly.

Depending on the plan, different entities may choose to do different things separately, i.e., not holding early voting together. Not all joint election plans are alike. With a few exceptions, we do not discuss the impact of coordinating rules for a joint election, as we think this would make the calendar longer and confusing. We encourage joint election partners to read through the entire calendar, taking note of the rules affecting the partner entities and to address the differences within the agreement itself. If you have questions about how different rules apply to a particular joint election plan, please contact our office by phone or email.

9. Notice of Elections

Political subdivisions other than cities and school districts may have specific statutory notice requirements. In the absence of specific statutory requirements, such political subdivisions must post a notice on or before the 21st day before the election. (Sec. 4.003(b)). For the Tuesday, November 5, 2024 election, this notice must be posted on or before Tuesday, October 15, 2024. The general rule is that, additionally, notice must be given using one of the following methods:

- A. By posting the notice in each election precinct in which the election is to be held on or before the 21st day before the election, Tuesday, October 15, 2024. (Sec. 4.003(a)(2)).
- B. By publishing the notice at least once between the 30th day and the 10th* day before the election, Sunday, October 6, 2024 – Saturday, October 26, 2024. (Sec. 4.003(a)(1)).
- C. By mailing a copy of the notice to each registered voter of the territory covered by the election, not later than the 10th day before election day, Saturday, October 26, 2024. (Sec. 4.003(a)(3)).

Cities and School Districts: Cities and school districts are required to publish their notice in a newspaper in accordance with Section 4.003(a)(1) (See number 2 above) and may also give any additional notice. (Sec. 4.003(c)). If a county maintains a website, the county must post any notice provided to the county by a political subdivision conducting an election in the county to the county's website no later than the 21st day before election day, Tuesday, October 15, 2024. (Sec. 4.003(b)).

Note for Home-Rule Charter Cities: Home-rule cities MUST also give notice as provided in their charters.

Note for Counties: Notice of an election ordered by the governor or by a county authority must be published in a newspaper; the county may also give any additional notice. (Secs. 4.003(a)(1), 4.003(c)). The county must post a copy of the election notice on the county's website, if the county maintains a website. It is recommended that the county election officer post notice on the bulletin board that is used for meetings. (Sec. 4.003(b)). (Sec. 26.16(a), Tax Code).

NOTE - In addition to any other notice given, notice of an election ordered by the governor, by a county authority, or by an authority of a city or school district must be given by the method prescribed by Section 4.003(a)(1) of the Code. (Sec. 4.003(c)).

Note for All Political Subdivisions: The governing body of a political subdivision must deliver notice of the election to the county election officer and voter registrar of each county in which the political subdivision is located not later than the 60th day before election day, Friday, September 6, 2024. (Sec. 4.008).

Note for Counties: Section 4.003 requires that counties post on the county website the notice and list of polling locations of any political subdivision that delivers their notice to the county under Section 4.008. This is regardless of whether the county is contracting with the entity. (Secs. 1.021, 4.004, 85.007). See Note for All Political Subdivisions above.

This notice must include:

1. The type and date of the election;
2. The location of each polling place, **including the street address, room number, and building name;**
3. The hours the polls will be open;
4. The location of the main early voting polling place, **including the street address, room number, and building name. The notice must designate which location is the main early voting polling place;**
5. The regular dates and hours for early voting by personal appearance;
6. The dates and hours of any Saturday or Sunday early voting; and
7. The early voting clerk's official mailing address or street address at which the clerk may receive delivery by common or contract carrier, if different, phone number, e-mail address, and the Internet website, if the early voting clerk has an Internet website;
8. We recommend that the information regarding branch early voting locations be included as part of your notice; and
9. Any other information required by law.

NOTE - Section 4.004 of the Code requires the notice of election to include the Internet website of the authority conducting the election. (Sec. 4.004(a)).

NOTE - The notice of a special election must also state each office to be filled or the propositions stating each measure to be voted on. (Sec. 4.004(b)). See [Notice of Special Election \(Cities, Schools, and Other Political Subdivisions \(PDF\)\)](#).

NOTE - Section 83.010 of the Code requires an election order and the election notice to state the early voting clerk's official mailing address or street address at which the clerk may receive delivery by common or contract carrier, if different, phone number, e-mail address, and the Internet website, if the early voting clerk has an Internet website. (Sec. 83.010).

NOTE - Section 85.004 of the Code provides that an election order and election notice must designate which location is the main early voting polling place. (Sec. 85.004).

NOTE - ANY notice of polling locations must include more detailed information regarding the polling locations including: the polling location's street address, any applicable suite or room number, and any applicable building name. (Sec. 1.021).

Note regarding branch early voting locations: The branch early voting locations are no longer a required part of your notice under the Texas Election Code. (Sec. 4.004).

All Political Subdivisions Other Than Counties: The election notice shall be posted on the political subdivision's website, if the political subdivision maintains a website. For political subdivisions other than counties, the original order and notice should include all days and hours for early voting by personal appearance, including voting on ANY Saturday or Sunday. (Secs. 85.006, 85.007).

Note for Counties: The election notice must be subsequently amended to include voting ordered for ANY Saturday or Sunday and must be posted on the political subdivision's website, if maintained.

Notice for Bond Elections: Entities holding bond elections must provide additional notice per Section 4.003(f). A debt obligation order under Section 3.009 must be posted:

1. On election day and during early voting by personal appearance, in a prominent location at each polling place;
2. Not later than the 21st day before the election, in three public places in the boundaries of the political subdivision holding the election; and

- During the 21 days before the election, on the political subdivision's Internet website, prominently and together with the notice of the election, a copy of the sample ballot, and the contents of the proposition, if the political subdivision maintains an Internet website.

The same requirements apply to the voter information document required by Government Code Section 1251.052(b) (see law for full contents of notice). The requirement referenced in Section 1251.052(b) of the Government Code applies to a political subdivision with at least 250 registered voters on the date the governing body of the political subdivision adopts the debt obligation election order.

Voting may not be conducted earlier than 6:00 AM or later than 10:00 PM. (Sec. 85.005(c)).

Weekend Early Voting Hours

NOTE FOR ALL COUNTIES REGARDLESS OF POPULATION SIZE: The main early voting location must be open for at least 12 consecutive hours on the last Saturday of the early voting period, except that voting may not be conducted earlier than 6:00 AM or later than 10:00 PM, and for at least 6 consecutive hours on the last Sunday of the early voting period, except that voting may not be conducted earlier than 9:00 AM or later than 10:00 PM. Note - There is no petition process to require a county with a population less than 100,000 to conduct weekend early voting at temporary branch locations. However, the early voting clerk may voluntarily order weekend early voting at temporary branch locations by written order if they choose to do so.

NOTE - NEW LAW: HB 1217 (2023, R.S.) amended Section 19.004 of the Code, effective September 1, 2023, to provide that if the registrar's county has a population of less than 55,000, the county may use Chapter 19 funding to defray the cost to the registrar's county of keeping the polling places in the county open during the early voting period as required under Sections 85.005(c), 85.006(e), and 85.064(d).

Note for Political Subdivisions Other Than Counties: Voting on ANY Saturday or Sunday must be included in the order and notice of election. The order and notice must include the dates and hours of Saturday or Sunday voting. (Secs. 85.006, 85.007). The political subdivision must have early voting on Saturday or Sunday, if a [written request \(PDF\)](#) is received from at least 15 registered voters of the political subdivision prior to the election being ordered. (Sec. 85.006(d)). The election notice must be posted on the political subdivision's website, if the political subdivision maintains a website. (Sec. 85.007).

Note for Cities: In an election in which a city secretary is the early voting clerk, voting on any Saturday or Sunday must be included in the order and notice of election. City secretaries no longer have the authority to order Saturday or Sunday early voting 72 hours immediately preceding the first hour that voting will be conducted. However, the city must have early voting on Saturday or Sunday, if a [written request \(PDF\)](#) is received from at least 15 registered voters of the political subdivision prior to the election being ordered. (Secs. 85.006, 85.007).

11. Temporary Branch Locations

In the general election for state and county officers, a certain number of temporary branch locations must be established depending on the population size of the county:

1. in a county with a population of 400,000 or more, the commissioners court **must** establish one or more temporary polling places, other than the main early voting polling place, in each state representative district containing territory covered by the election.
2. in a county with a population of 120,000 or more but less than 400,000, the commissioners court **must** establish one or more temporary polling places, other than the main early voting polling place, in each commissioners precinct containing territory covered by the election.
3. in a county with a population of 100,000 or more but less than 120,000, the early voting clerk **must** establish one or more early voting polling places in each commissioners precinct for which the early voting clerk receives a **timely filed written request by at least 15 registered voters of that precinct.**

The temporary polling place(s) must remain open for each weekday of the early voting period that the main early voting polling place will be open. The temporary branch polling place(s) must be open at least eight hours each day. (Secs. 85.062, 85.064).

NOTE: Section 85.062 provides that the location of temporary branch polling places in an election in which countywide polling places are used must be determined with the same methodology that is used for the location of countywide polling places.

NOTE: In a countywide election, the total number of permanent branch polling places and temporary branch polling places open for voting at the same time in a commissioners precinct may not exceed twice the number of permanent branch and temporary branch polling places open at that time in another commissioners precinct. (Sec. 85.062(f)).

NOTE - NEW LAW: HB 1217 (2023, R.S.) amended Section 85.064 and repealed Section 85.065 of the Code, effective September 1, 2023. As a result, the rules regarding the days and hours of early voting by personal appearance at temporary branch locations are the same for **ALL** counties, regardless of their population. As amended, Section 85.064 requires early voting by personal appearance at each temporary branch polling places to be conducted on the days that early voting is required to be conducted at the main early voting polling place under Section 85.005 and **MUST** remain open for at least eight (8) hours each day; or for at least three (3) hours each day if the **city or county clerk/elections administrator does not serve** as the early voting clerk for the territory holding the election and the territory has fewer than 1,000 registered voters. For certain political subdivisions, this will require your temporary branch locations to be open on every weekday of the early voting period, for at least eight hours on each of those days.

NOTE: If the early voting clerk is a county election officer, the clerk must post [notice \(PDF\)](#) for each election stating any dates and the hours that voting on Saturday or Sunday will be conducted under Section 85.064(d). (Sec. 85.068).

NOTE for Political Subdivisions Other Than City or County: If the city or county election officer does not serve as the early voting clerk for the territory holding the election and the territory has fewer than 1,000 registered voters, the temporary branch polling place(s) must be open for at least three hours each day that voting is required to be conducted at the main early voting polling place under Section 85.005 of the Code. (Secs. 85.005, 85.064).

NOTE for All Political Subdivisions: If a local political subdivision is contracting for election services with a county or is holding a joint election with the county, the local political subdivision **must** amend their order and notice of election to include any weekend early voting that the county is conducting.

12. Notice of Previous Polling Place

If a different polling place is being used from the previous election held by the same authority, a [Notice of Change to Polling Place \(PDF\)](#) must be posted at the entrance of the previous polling place informing voters of the current polling place location, if possible. (Sec. 43.062).

13. Notice of Change of Polling Place

For elections ordered by the **Governor or county judge only**, if the location of the polling place changes after notice has been given under Section 4.003 of the Texas Election Code, and the county election officer maintains a website to inform voters about elections, the notice of the change must be posted on the website. The notice on the website must be posted not later than the earlier of (1) 24 hours after the

location was changed; or (2) 72 hours before the polls open on election day. (Sec. 43.061). **As a reminder, notice should also be provided to the Secretary of State regarding any changes made to the location of polling places.** [Notice of Change to Polling Place \(PDF\)](#).

14. Testing Tabulating and Electronic Voting Equipment

Ballot Testing:

Once all candidate filing deadlines have passed, we recommend that you proof and test your ballot programming as soon as possible. Early testing will allow adequate time to locate any errors and make any necessary corrections in ballot programming. **We also strongly suggest that you have candidates proof their names and offices before finalizing the ballot to avoid the necessity for last minute ballot corrections.**

Logic and Accuracy Test:

We recommend establishing a date to perform the test of your electronic voting equipment (L&A, or Logic and Accuracy Test) as soon as possible. We recommend that this test be performed on a date that allows time to correct programming and retest, if necessary. A [notice](#) of this test must be published by the custodian of the electronic voting equipment at least 48 hours before the date of the test. (Sec. 129.023; [Tex. Sec’y of State Election Advisory No. 2019-23](#)). The L&A test must be conducted not later than 48 hours before voting begins on a voting system. (Sec. 129.023).

NOTE: If logic and accuracy testing is being conducted for an election in which a county election board has been established under Section 51.002 of the Texas Election Code, the general custodian of election records shall notify each member of the board of the test at least 48 hours before the date of the test. If the county election board chooses to witness the test, each member shall sign the statement required for logic and accuracy testing. (Sec. 129.023(b-2)).

NOTE: The general custodian of election records is required to demonstrate, using a representative sample of voting system equipment, that the source code of the equipment has not been altered. (Sec. 129.023(c-1)). See [Tex. Sec’y of State Election Advisory No. 2019-23](#) and [Tex. Sec’y of State Election Advisory No. 2022-30](#) for more information on hash validation and voting system procedures.

Testing Tabulating Equipment:

The automatic tabulating equipment used for counting ballots at a central counting station must be tested three times for each election. (Ch. 127, Subch. D). We recommend you test the equipment as soon as possible; early testing will allow adequate time to locate any errors and make any necessary corrections in programming. However, the first test **must be conducted at least 48 hours before** the automatic tabulating equipment is used to count ballots voted in the election. The second test shall be conducted immediately before the counting of ballots with the equipment begins. The third test must be conducted immediately after the counting of ballots with the equipment is completed. Please note that the custodian of the automatic tabulating equipment must publish [notice](#) of the date, hour, and place of the first test in a newspaper at least 48 hours before the date of the test. (Sec. 127.096). The electronic files created from

the L&A testing are what must be used for testing the tabulating equipment. ([Tex. Sec’y of State Election Advisory No. 2019-23](#)).

Precinct tabulators must also be tested in accordance with the procedures set forth in Chapter 127, Subchapter D of the Texas Election Code to the extent those procedures can be made applicable. (Sec. 127.152; [Tex. Sec’y of State Election Advisory No. 2019-23](#)).

Our recommendation is that both L&A testing and testing of the automatic tabulating equipment take place prior to ballots by mail being sent out. However, should there be a reason to delay testing, please be advised that L&A testing must be conducted at least 48 hours before voting begins on a voting system. This means that L&A testing should be completed before early voting and possibly, before election day, if your election day system is different than your early voting system. Additionally, the automatic tabulating equipment may not be used to count ballots voted in the election until a test is successful.

For more information on testing tabulating equipment used at the central counting station, please see Chapter 127, Subchapter D of the Election Code and [Tex. Sec’y of State Election Advisory No. 2019-23](#). See Chapter 129, Subchapter B of the Election Code and [Tex. Sec’y of State Election Advisory No. 2019-23](#) for **other types of testing such as functionality tests, logic and accuracy tests, tests for central accumulators, etc.** Please see [Tex. Sec’y of State Election Advisory No. 2019-23](#) for additional information regarding voting system equipment access, security and preservation, and chain of custody.

NOTE: Due to the short timeframe between the canvass of the main election and the date of the runoff election, our office strongly recommends that your local political subdivision finalize the ballot programming and conduct your Public Logic & Accuracy testing as soon as possible after the main election has been canvassed and the runoff election has been ordered.

NOTE: The Public Logic and Accuracy test must be completed no later than 48 hours before voting begins on a voting system used in the election. The last **business** day to conduct your public Logic and Accuracy testing is Wednesday, November 27, 2024. However, it is **strongly recommended** that such testing be completed as soon as possible after the ballot programming is finalized to allow time for corrections to programming, if necessary.

15. Accepting Voters with Certain Disabilities and Curbside Voting

All Political Subdivisions: Accepting voters with certain disabilities:

An election officer shall accept a person with a mobility problem that substantially impairs a person’s ability to ambulate who is offering to vote before accepting others offering to vote at the polling place who arrived **before** the person. “Mobility problem that substantially impairs a person’s ability to ambulate” has the meaning assigned by Section 681.001, Transportation Code. A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority. [Notice of Voting Order Priority \(PDF\)](#) given to persons with a mobility problem that substantially impairs a person’s ability to ambulate **shall** be posted:

- 1) at each entrance to the polling place where it can be read by persons waiting to vote;
- 2) on the website of the Secretary of State; **and**
- 3) on each website relating to elections maintained by a county. (Sec. 63.0015).

NOTE - NEW LAW: SB 477 (2023, R.S.) amended Section 63.0015 of the Code, effective June 18, 2023, to require that an election officer post in an accessible manner on the county clerk's/elections administrator's Internet website all procedures and accommodations available for voters with disabilities.

NOTE – NEW LAW: SB 477 (2023, R.S.) amended the wording of the voting order priority notice required under Section 63.0015 so that it **must** read as follows:

“Pursuant to Section 63.0015, Election Code, an election officer shall give voting order priority to individuals with a mobility problem that substantially impairs the person's ability to move around. A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority. Disabilities and conditions that may qualify you for voting order priority include paralysis, lung disease, the use of portable oxygen, cardiac deficiency, severe limitation in the ability to walk due to arthritic, neurological, or orthopedic condition, wheelchair confinement, arthritis, foot disorder, the inability to walk 200 feet without stopping to rest, or use of a brace, cane, crutch, or other assistive device.”

The **recommended** time to include the voting order priority notice on a county website is when the Notice of Election is also posted on the website. (Sec. 85.007(d)). See [Note 9](#) regarding Notice of Elections.

NOTE - NEW LAW: SB 477 (2023, R.S.) amended Section 64.009 of the Code, effective June 18, 2023, to require that at each polling place an area for parking not smaller than the size of one parking space be reserved for use by a voter who is unable to enter the polling place. The area must be clearly marked indicating the space is reserved and display, in large font that is clearly readable from a vehicle, a telephone number that a voter may call or text to request assistance from an election officer at the polling place. As an alternative to displaying a telephone number, a parking space may comply with the requirements of Section 64.009 by providing the voter with a button or intercom that the voter may use to request assistance from an election officer.

NOTE - A qualified individual with a disability may request a reasonable accommodation or modification to any election standard, practice, or procedure mandated by law or rule that the individual is entitled to request under federal or state law. (Sec. 1.022).

Cities, Schools, and Other Political Subdivisions: It is **strongly recommended** that the notice regarding accepting voters with certain disabilities also be posted on the subdivision's website, if one is maintained by the political subdivision.

If a voter is physically unable to enter the polling place without assistance or likelihood of injury to his or her health, an election officer shall deliver a ballot or voting machine to the voter at the entrance or curb of the polling place on the voter's request. On the voter's request, a person accompanying the voter to the polling place must be permitted to select the voter's ballot and to deposit the ballot in the ballot box after the voter has voted. (Sec. 64.009).

NOTE – A person who simultaneously assists seven or more curbside voters by providing the voters transportation to the polling place must complete and sign a [form](#), provided by an election officer, that contains the person's name and address and whether the person is providing assistance solely under Section 64.009 or if the person is providing additional assistance to the voter under Chapter

64, Subchapter B. Completed forms shall be delivered to the SOS as soon as practicable. The SOS shall retain a form delivered under Section 64.009 for the period for preserving the precinct election records and shall make the form available to the attorney general for inspection upon request. This provision does not apply if the person assisting is related to each voter within the second degree by affinity (marriage) or the third degree by consanguinity (blood).

For more information on accessibility requirements for voters with disabilities, please see [Tex. Sec'y of State Election Advisory No. 2023-14](#).

16. Faxed or Emailed ABBMs and Faxed FPCAs

If an ABBM is faxed or emailed or if an FPCA is faxed, then the applicant must submit the ORIGINAL application BY MAIL to the early voting clerk so that the early voting clerk **receives the original no later than the 4th business day after receiving the emailed or faxed ABBM or faxed FPCA**. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete, and the early voting clerk may NOT send the applicant a ballot. The early voting clerk should retain a copy of the FPCA for their own records, but should send the FPCA submitted by the voter to the voter registrar for registration purposes. (Sec. 84.007).

If a voter faxes or emails the ABBM or faxes the FPCA, the date the early voting clerk receives the FAX or EMAIL is considered the date of submission. Essentially, the faxed or emailed form serves as a place-holder for the voter. Therefore, a voter whose application was faxed or emailed by the 11th day before election day (the deadline), and whose original application is received on or before the 4th business day after that date, would still be entitled to receive a ballot for the election (if otherwise eligible). The early voting clerk will have to hold the faxed or emailed ABBM or faxed FPCA until the clerk receives the original, and would only send the voter a ballot if the original is received by the 4th business day after the faxed or emailed ABBM or faxed FPCA was received.

The requirement to mail the original application does not apply to an **emailed** FPCA, but does apply to a faxed FPCA.

NOTE – A person is eligible for an FPCA if the person is qualified to vote in this state or, if not registered to vote in this state, would be qualified if registered and the person is:

- a member of the armed forces of the United States, or the spouse or a dependent of a member;
- a member of the merchant marine of the United States, or the spouse or a dependent of a member;
- a member of the Texas National Guard or the National Guard of another state or a member of a reserve component of the armed forces of the United States serving on active duty under an order of the president of the United States; or activated on state orders, or the spouse or dependent of a member; or
- a United States citizen that is temporarily living outside of the territorial limits of the United States and the District of Columbia. (Sec. 101.001).

NOTE – An FPCA may be submitted by in-person delivery by the voter in accordance with Section 84.008 of the Code or by common or contract carrier. Further, an application is considered submitted in the

following calendar year if: 1) the applicant is eligible to vote in an election occurring in January or February of the next calendar year; and 2) the application is submitted in the last 60 days of a calendar year but not earlier than the 60th day before the date of the January or February election. (Sec. 101.052).

NOTE – An applicant for a ballot to be voted by mail may submit the application by delivering it in person to the early voting clerk if the application is submitted not later than the deadline provided by Section 84.007(c) of the Code. This means that voters may personally deliver their ABBM or FPCA to the early voting clerk not later than the close of regular business in the early voting clerk’s office or 12 noon, whichever is later, on the 11th day before election day (unless that day is a Saturday, Sunday, or legal state or national holiday, in which case the last day is the first preceding regular business day). (Sec. 84.008).

17. Opportunity to Correct Defect(s) with Application for Ballot by Mail and Carrier Envelope

NOTE - NEW LAW: SB 1599 (2023, R.S.), effective September 1, 2023, added new corrective action provisions related to the ballot by mail process as it pertains to the early voting clerk’s review of an Application for Ballot by Mail and the signature verification committee/early voting ballot board’s review of the carrier envelope containing a voter’s ballot. For more information on the Opportunity to Correct Defect(s) with Application for Ballot by Mail and Carrier Envelope, see [Tex. Sec’y of State Election Advisory No. 2023-13](#).

Early Voting Clerk Actions for a Defective Application for Ballot by Mail: SB 1599 amended Section 86.008(a) of the Code to provide that the section applies to a ballot to be voted by mail for which the applicant failed to comply with a requirement provided by Section 84.002 (contents of application), 84.0021 (contents of application for participant in the Attorney General Address Confidentiality Program), or 84.003(a) (signing application by witness) in a manner that would lead, if not corrected, to the rejection of the applicant’s application. Not later than the second day after the early voting clerk discovers a defect(s) described by Section 86.008(a) referenced above, the early voting clerk shall: (1) determine if it would be possible for the applicant to correct the defect and return an application form by mail by the 11th day before election day, as applicable; and (2) if the clerk determines it would be possible to correct the defect and return an application form before the deadline, the early voting clerk must deliver an official application form to the applicant. The early voting clerk must include an application form delivered to the applicant a written notice containing: (1) a brief explanation of each defect in the noncomplying application; (2) a statement informing the voter that the voter is not entitled to vote an early voting ballot unless the application complies with all legal requirements; and (3) instructions for submitting the new application.

If the early voting clerk determines that it would not be possible for the applicant to correct the defect and return an application form by mail by the 11th day before election day, the clerk may notify the applicant by telephone or email and provide the applicant a brief explanation of each defect in the application, a statement informing the voter that the voter is not entitled to vote an early voting ballot unless the application complies with all legal requirements, and instructions for submitting the corrected application or second application. The early voting clerk must also inform the applicant that the applicant may come to the early voting clerk’s office by the 11th day before election day and correct the defect in person. In addition, a voter must be provided notice about the ability to correct certain defects on the application using the Secretary of State’s online Ballot by Mail Tracker and, if possible, permit the applicant

to correct such defects using the online tracker. Please note that the Secretary of State's Ballot by Mail Tracker is available at www.votetexas.gov. (Secs. 86.008(c-1), 86.015).

NOTE - Although Section 86.008 of the Code was amended to allow the early voting clerk to return a defective application to the voter, the Secretary of State recommends against doing so. Ultimately, if the early voting clerk returns a defective application to the voter, it is strongly recommended that the clerk return a **copy** of the original application to the voter and **NOT** the original application.

Early Voting Clerk Actions for a Defective Carrier Envelope: Section 86.011(d) of the Code provides a procedure by which a voter can correct certain defects in the carrier envelope containing their voted ballot. If an early voting clerk receives a timely carrier envelope that does not comply with the applicable requirements of the Code, the clerk may deliver the carrier envelope in person or by mail to the voter so that the voter may correct the defect. Additionally, the early voting clerk may notify the voter of the defect by phone and advise the voter that they may come to the early voting clerk's office to correct the defect or cancel their ABBM and vote in person. The clerk may utilize this provision for defects such as a missing signature by the voter, a partially completed witness or assistant box (if applicable), missing or incorrect personal identification information, or a ballot that is not returned in a carrier envelope. If an early voting clerk chooses to notify voters of defects in their carrier envelope under Section 86.011(d), the clerk must apply these procedures uniformly to all voters in similar circumstances. Additionally, the Secretary of State recommends keeping a log to track the ballots mailed to voters and the ballots in possession of the early voting clerk before ballots are delivered to the signature verification committee or early voting ballot board. If the early voting clerk notifies a voter of a defect in their carrier envelope by mail, the clerk should include a letter explaining the actions that the voter needs to take to correct and return the carrier envelope.

Signature Verification Committee (if appointed) Actions for a Defective Carrier Envelope: SB 1599 amended Section 87.0271 of the Code to provide that not later than the second day after the signature verification committee discovers a defect(s) in a carrier envelope as described by Section 87.0271(a) of the Code and before the committee decides whether to accept or reject a timely delivered ballot under Section 87.027, the committee must send the voter a notice of the defect and a corrective action form developed under Section 87.0271(c-1) by mail or by common or contract carrier. The signature verification committee must include with the notice delivered to the voter: (1) a brief explanation of each defect in the noncomplying ballot; and (2) notice that the voter may either cancel the voter's application to vote by mail in the manner described by Section 84.032, correct the defect in the voter's ballot by submitting a corrective action form by mail or by common or contract carrier, make the correction using the Secretary of State's online Ballot by Mail Tracker, if possible, or come to the early voting clerk's office in person not later than the sixth day after election day to correct the defect(s).

If the signature verification committee determines that it would not be possible for the voter to receive the notice of defect within a reasonable time to correct the defect, the committee may notify the voter of the defect by telephone or e-mail and inform the voter that the voter may request to have the voter's application to vote by mail canceled in the manner described by Section 84.032, submit a corrective action form by mail or by common or contract carrier, make the correction using the Secretary of State's online Ballot by Mail Tracker, if possible, or come to the early voting clerk's office in person not later than the sixth day after election day to correct the defect. In addition to sending the voter a notice of the defect or notifying the voter of the defect by telephone or e-mail, the signature verification committee must

permit the voter to correct a defect using the Secretary of State's online Ballot by Mail Tracker, if possible. Please note that the Secretary of State's Ballot by Mail Tracker is available at www.votetexas.gov.

Early Voting Ballot Board Actions for a Defective Carrier Envelope: SB 1599 amended Section 87.0411 of the Code to provide that not later than the second day after the early voting ballot board discovers a defect(s) in a carrier envelope as described by Section 87.0411(a) of the Code and before the board decides whether to accept or reject a timely delivered ballot under Section 87.041, the board must send the voter a notice of the defect and a corrective action form developed under Section 87.0411(c-1) by mail or by common or contract carrier. The early voting ballot board must include with the notice delivered to the voter: (1) a brief explanation of each defect in the noncomplying ballot; and (2) notice that the voter may either cancel the voter's application to vote by mail in the manner described by Section 84.032, correct the defect in the voter's ballot by submitting a corrective action form by mail or by common or contract carrier, make the correction using the Secretary of State's online Ballot by Mail Tracker, if possible, or come to the early voting clerk's office in person not later than the sixth day after election day to correct the defect(s).

If the early voting ballot board determines that it would not be possible for the voter to receive the notice of defect within a reasonable time to correct the defect, the board may notify the voter of the defect by telephone or e-mail and inform the voter that the voter may request to have the voter's application to vote by mail canceled in the manner described by Section 84.032, submit a corrective action form by mail or by common or contract carrier, make the correction using the Secretary of State's online Ballot by Mail Tracker, if possible, or come to the early voting clerk's office in person not later than the sixth day after election day to correct the defect. In addition to sending the voter a notice of the defect or notifying the voter of the defect by telephone or e-mail, the early voting ballot board must permit the voter to correct a defect using the Secretary of State's online Ballot by Mail Tracker, if possible. Please note that the Secretary of State's Ballot by Mail Tracker is available at www.votetexas.gov.

Delivery of Ballots Voted by Mail to the Early Voting Ballot Board: SB 1599 amended Section 87.0222 of the Code to provide that not later than the ninth day before election day, the jacket envelopes containing early voting ballots voted by mail **MUST** be delivered to the early voting ballot board. **This requirement applies regardless of the county's population size.** Any jacket envelopes of early voting ballots voted by mail returned after delivery of the ballots to the early voting ballot board may be delivered to the presiding judge of the early voting ballot board between the end of the ninth day before election day and the closing of the polls on election day, or as soon after closing as practicable, at the time or times specified by the presiding judge. The early voting clerk shall post notice of each delivery of balloting materials that is to be made before the time for opening the polls on election day. The notice must be posted at the main early voting polling place continuously for at least 24 hours immediately preceding the delivery.

NOTE - Section 127.1232 provides that in counties with a population of 100,000 or more, the general custodian of election records shall implement a video surveillance system that retains a record of all areas containing voted ballots: (1) from the time the voted ballots are delivered to the central counting station until the canvass of the precinct election returns; and (2) from the time the voted ballots are delivered to the signature verification committee or early voting ballot board until the canvass of precinct election returns. Video from the surveillance system shall be made available to the public by live stream. The recorded video is considered an election record and shall be retained by the general custodian until the

end of the calendar year in which an election is held or until an election contest filed in the county has been resolved, whichever is later. (Sec. 127.1232). See Tex. Sec’y of State Election Advisory No. 2022-10.

Please note that the mail ballots may not be counted until (i) the polls open on election day; or (ii) in an election conducted by an authority of a county with a population of 100,000 or more or entities that are having joint elections with such a county or who are conducting their election with such a county through a contract for election services, the end of the period for early voting in person. (Secs. 87.0222, 87.0241).

NOTE: Results may not be released until the polls close on election day.

18. Reconciliation Forms

The presiding judge of the central counting station must prepare a [preliminary reconciliation form \(PDF\)](#) on election night and a [final reconciliation form \(PDF\)](#) after the canvass. The reconciliation form requirement only applies to entities that conducted voting in such a manner that they had a central counting station. The reconciliation forms must be posted on the county website with election returns and results after they are completed and signed. This posting requirement applies regardless of whether a local entity is contracting with the county for election services. We recommend that local entities post the reconciliation form on their website, if the entity maintains a website. We further recommend that the reconciliation forms remain posted at least until the next election, and that the forms are available for the full 22-month retention period for election records. An entity may choose to make older reconciliation forms available as part of historical results on its website.

19. Online Training Materials

NOTE - NEW LAW: HB 1632 (2023, R.S.) amended Chapters 32, 87, and 127 of the Code, effective September 1, 2023, to require the Secretary of State to develop materials for a standardized curriculum for online training in election law and procedure, including a published handbook, for election judges and members of an early voting ballot board, signature verification committee, and central counting station. The training must be made available on the Secretary of State’s Internet website, free of charge, and require the passage of an examination at the end of the program.

To view education and training materials issued by the Secretary of State, please visit the [Training and Education Resources](#) page on our website.

20. Services Performable Under Contract and Mandatory Office Hours

Section 31.094 of the Code provides that an election services contract may provide for the county election officer to perform or to supervise the performance of any or all of the corresponding duties and functions that the officer performs in connection with a countywide election ordered by a county authority.

The county election officer may assign deputies to perform any of the contracted services. (Sec. 31.095). **However, an election services contract may not change a political subdivision’s requirement to maintain office hours under Section 31.122 of the Code.** (Sec. 31.096).

Mandatory Office Hours: Each county clerk, city secretary, or secretary of a governing body (or the person performing duties of a secretary) must keep the office open for election duties for at least 3 hours each day, during regular office hours, on regular business days. (Sec. 31.122).

21. Early Voting Rosters

The early voting clerk shall maintain for each election a roster listing each person who votes an early voting ballot by personal appearance and a roster listing each person to whom an early voting ballot to be voted by mail is sent. The list must include, at minimum, the name, VUID, and precinct number for each voter. **Each roster shall be updated daily.** Information on the roster for a person who votes an early voting ballot by personal appearance shall be made available for public inspection not later than 11:00 a.m. on the day after the date the information is entered on the roster. Information on the roster for a person who votes an early voting ballot by mail shall be made available for public inspection not later than 11:00 a.m. on the day following the day the early voting clerk receives a ballot voted by mail. The clerk shall preserve each roster after the election for the period for preserving the precinct election records. (Sec. 87.121).

For all elections in which the county clerk/elections administrator is the early voting clerk (including by contract and/or joint election agreement), the information on the early voting rosters (in-person and by-mail voters) must be posted on the county's website. Section 87.121 of the Code does not state a specific time by which the early voting rosters must be posted online; our office recommends that the rosters be posted by 11:00 a.m. each day.

For all elections where the county clerk/elections administrator is not the early voting clerk by contract, by law, or due to a joint election agreement, the information on the early voting roster (in-person and by-mail voters) must be posted on the local political subdivision's website. If the authority which ordered the election does not maintain a website, then the information on the roster must be posted on the bulletin board used for posting notice of meetings of the governing body of the authority. Again, Section 87.121 of the Code does not state a specific time by which the early voting rosters must be posted online, but we recommend posting the rosters by 11:00 a.m. each day.

If an early voting clerk fails to post their early voting rosters in accordance with Section 87.121, a person registered to vote in the county where the early voting clerk is conducting early voting may file a complaint with the Secretary of State regarding the early voting clerk's noncompliance. (Sec. 87.121(o)).

Note for local political subdivisions: The early voting clerk for each political subdivision is also responsible for posting or linking to the early voting roster, depending on whether or not the entity is contracting with the county.

- **If the entity is contracting with the county,** the early voting roster must be posted on the county's website and the entity should provide a link to that list on the entity's website.
- **If the entity is NOT contracting with the county,** the early voting roster must be posted on the entity's website.

22. Inspection of Voted Ballots and Cast Vote Records

NOTE - NEW LAW: HB 5180 (2023, R.S.) amended Section 1.012 of the Code, effective September 1, 2023, to provide that images of voted ballots, if maintained, and cast vote records shall be made available for public inspection beginning on the first day after the final canvass of an election is completed. The bill also provides that original voted ballots shall be made available for public inspection beginning on the 61st day after election day. The bill requires the general custodian of election records to adopt procedures to ensure the redaction of any personally identifiable information of the voter that is contained on the voted ballot, ballot images, or cast vote records before making them available for public inspection.

The bill does not amend Section 66.058 of the Election Code, which requires voted ballots to be preserved securely in a locked room in the locked ballot box for at least 60 days after the date of the election. Section 66.058 also provides that an unauthorized entry into the ballot box containing voted ballots or the failure to prevent an unauthorized entry into the ballot box constitutes a Class A misdemeanor. The Secretary of State interprets these provisions to prohibit the general custodian of election records from accessing the voted ballots during the initial 60-day period (except in the event of a recount or another authorized entry into the ballot box) and preclude the custodian from beginning to redact original voted ballots under Section 1.012(h) until after that 60-day period has elapsed.

Ballot images and cast vote records are also subject to the general preservation provisions in Section 66.058. However, HB 5180 provides a different deadline for making those specific records publicly available. Since ballot images and cast vote records are available for public inspection beginning on the first day after the final canvass, a county may begin the redaction process under Section 1.012(h) for ballot images and cast vote records as soon as practicable following the final canvass. See [Tex. Sec’y of State Election Advisory No. 2024-05](#).

Our office recommends that the county elections office work closely with its county attorney and its public information division in ensuring that records have been properly redacted before being made publicly available. Please direct any questions about the procedures for responding to a public information request, including the timeframes for such responses, to the Office of the Attorney General via its Open Government Hotline, (877) OPEN TEX (673-6839).

23. Note on Ordering the Runoff Election and Notice of Election

Our office recommends ordering your runoff election and any extended weekday or weekend voting as soon as the final canvass has been completed due to the short timeframe between the November 5, 2024 election and the December 14, 2024 runoff election. Additionally, if possible, we recommend that a local political subdivision issue the notice of election immediately after the runoff election is ordered.

Notice of a runoff election must be posted on the website of the political subdivision that ordered the election no later than the 15th day before election day, Friday, November 29, 2024. If the political subdivision does not maintain a website, the notice must be posted on the bulletin board used for posting notices of public meetings. (Sec. 2.026).

The general rule is that, additionally, notice must be given using one of the following methods:

1. By posting a notice in each election precinct in which the election is to be held on or before the 15th day before the election, Friday, November 29, 2024. (Secs. 2.026, 4.003(a)(2)).

2. By publishing the notice at least once between the 30th day and the 10th day before the election, Thursday, November 14, 2024 – Wednesday, December 4, 2024. (Sec. 4.003(a)(1)).
3. By mailing a copy of the notice to each registered voter of the territory covered by the election, not later than the 10th day before election day, Wednesday, December 4, 2024. (Sec. 4.003(a)(3)).

Cities and School Districts: Cities and school districts are required to publish their notice in a newspaper in accordance with Section 4.003(a)(1) (See number 2 above) and may also give any additional notice. (Sec. 4.003(c)). If a county maintains a website, the county must post any notice of a runoff election provided to the county by a political subdivision conducting a runoff election in the county to the county's website no later than the 15th day before election day, Friday, November 29, 2024. (Secs. 2.026, 4.003(b)). If the county does not maintain a website, school districts and cities must also post a copy of the notice on the governmental bulletin board used for posting notice of public meetings no later than the 15th day before election day, Friday, November 29, 2024.

NOTE - Section 4.003 requires that counties post on the county website the notice and list of polling locations of any political subdivision that delivers their notice to the county under Section 4.008. This is regardless of whether the county is contracting with the entity.

NOTE - Section 4.004 requires the notice of election to include the Internet website of the authority conducting the election.

NOTE - Section 83.010 requires an election order and the election notice to state the early voting clerk's official mailing address or street address at which the clerk may receive delivery by common or contract carrier, if different, phone number, e-mail address, and the Internet website, if the early voting clerk has an Internet website. (Sec. 83.010).

24. Note on Candidate Withdrawals in the Runoff

A candidate in a runoff election may not withdraw from the election after 5 p.m. of the third day after the date of the final canvass for the main election. (Sec. 145.092). The last day for the official canvass to be completed for the November 5, 2024 election is Tuesday, November 19, 2024. (Secs. 1.006, 67.003). If your political subdivision canvasses the main election on the last possible day to canvass, then this means that the last day a candidate can withdraw their name from the runoff election ballot is Friday, November 22, 2024 (the Day after Thanksgiving Day). Accordingly, our office **strongly recommends** that the political subdivision canvass the main election as soon as possible to avoid having to accept a candidate withdrawal on November 22.

25. Note on Recounts

The deadline for submitting an expedited recount petition for the main election is 2 p.m. of the second day after the date of the local canvass. It is possible that the timing of the recount may impact ballot preparation for the scheduled runoff election. As such, it is strongly recommended that the entity complete the requested recount in a timely manner following the submission of a recount petition. (Secs. 212.083, 212.089).

If the deadline for submitting an expedited recount petition falls on a Saturday, Sunday, or legal state holiday, the deadline is extended to 10 a.m. of the next regular business day. If the deadline for submitting an application for including remaining paper ballot precincts or an amendment to a petition or application falls on a Saturday, Sunday, or legal state holiday, the recount coordinator shall be accessible or have an agent accessible at the coordinator's office for at least one hour immediately preceding the deadline unless the document subject to the deadline has already been submitted. Failure of the coordinator to comply with this subsection excuses performance until 9 a.m. of the next day that is not a Saturday, Sunday, or legal state holiday. (Sec. 212.088).

If an expedited recount is requested for a main election that may result in a runoff election, the recount committee members must continue performing their duties on days that are not regular working days and during hours that are not regular working hours if necessary to complete the recount in time to avoid interfering with the orderly conduct of the scheduled runoff election. (Sec. 212.089).

Because the December 14, 2024 runoff election occurs soon after the November 5, 2024 election, we recommend canvassing the November election as soon as possible to allow adequate time for your entity to prepare for the December runoff election.

Section 87.002(c) of the Election Code does not provide a deadline for the county election board to make such appointments. **NOTE: This is not a deadline; just a recommendation. October 1 is the recommended deadline because of various notice requirements.**

NOTE – Section 87.002 requires the early voting ballot board to have an alternate judge. The alternate judge is appointed in the same manner as the presiding judge.

It is also recommended that the commissioners court, in a county with a population of **over 500,000**, appoint during its July term the central counting station manager, tabulation supervisor, and assistants to the tabulation supervisor if it has established a central counting station. (Secs. 127.001, 127.002, 127.003, 127.004). **NOTE: This is not a deadline; just a recommendation.**

Counties: First day to file a [Declaration of Write-In Candidacy \(PDF\)](#) and accompanying filing fee or nominating [petition \(PDF\)](#) in lieu of filing fee with the county judge or Secretary of State, as applicable, for the November General Election for state and county officers. (Secs. 146.023, 146.0231, 146.0232, 146.025(a), 172.024, 172.025). See [Write-In Candidates Guide](#).

Political Subdivisions Other Than Counties: First day to file an application for a place on the ballot or a declaration of write-in candidacy. (Secs. 143.007(a), 144.005(a), 146.054, Election Code; Secs. 11.055, 11.056, 130.082(g), 130.0825, Educ. Code). See [Candidacy Filing outline](#) for more details. The following forms are available on the Secretary of State’s website:

- [Application for Place on City/School/Other Political Subdivision Ballot \(PDF\)](#)
- If your home rule city or special law district allows for a petition, the following petition may be used: [Petition for a Place on the Ballot for a Local Political Subdivision \(PDF\)](#)
- [Declaration of Write-In Candidacy for City, School, or other Political Subdivisions](#)

NOTE: We are often asked how filing can begin if you have not yet ordered the general election. You do not need to order your **general** (regularly occurring) election in order for the filing period to begin.

NOTE - The delivery, submission, or filing of an application with an employee of the filing authority at the authority’s usual place for conducting official business constitutes filing with the authority. (Sec. 1.007).

NOTE: Most elective offices now require that a candidate be a registered voter of the territory that the office is elected from as of the filing deadline or as of other statutory deadlines. (Sec. 141.001). For more information on the candidate voter registration requirement, see [Voter Registration Requirements for Candidates](#).

NOTE: Cities, Schools, and Other Political Subdivisions: At least part of the candidate filing period will occur during the summer break for school districts. Additionally, there are political subdivisions that do not have office hours on all days of the business week (Monday through Friday) or do not have an office that is open for eight hours each day of the business week. The Elections Division recommends that political subdivisions take steps to have someone available for a few hours most days during the candidate filing period to accept filings, and that political subdivisions post a schedule on their websites and on the bulletin boards where notices of meetings are posted of the days and times when someone will be available to accept filings. The Elections Division also strongly recommends having someone available at the place of business on the filing deadline, especially from 2:00 p.m. to 5:00 p.m., if you are otherwise closed. This guideline is based on the office-hour rule under Section 31.122 of the Election Code. Although a political subdivision may accept applications by mail and fax, without a person there at the office, the political subdivision will not be able to determine which applications were timely filed by 5:00 p.m.

NOTE - Candidate applications, other than those that must be accompanied by a filing fee, may be filed via email. The application must be a scanned copy of the candidate application and must be sent to the filing authority's designated email address for accepting applications. (Secs. 143.004, 144.003).

applicable joint election issues needed to be agreed upon. **NOTE: This is not a deadline; just a recommendation.**

Political Subdivisions Other Than Counties: **Recommended** date to appoint **presiding and alternate judges**. Currently, the Election Code does not establish a deadline for appointing election officials; there is only a notification deadline. For further information concerning procedures for appointing judges and their alternates, see Sections 32.005, 32.008, and 32.011. General eligibility requirements are found in Subchapter C, Chapter 32. In addition to appointing a judge and alternate judge for each election precinct pursuant to Sections 32.001 and 32.005, the governing body must allow the judge to appoint no less than two clerks; however, the alternate judge must serve as one of the clerks as a matter of law. (Secs. 32.032, 32.033). The presiding judge then appoints an additional clerk(s), but not more than the maximum set by the governing body. (Sec. 32.033). Presiding judges and their alternates must be given a [Notice of Appointment \(PDF\)](#) not later than the 20th day after the appointment is made. (Sec. 32.009). If the appointment is for a single election, the notice may be combined with the [Writ of Election \(PDF\)](#), which is required to be delivered to each presiding judge not later than the 15th day before the election, Monday, October 21, 2024. (Secs. 4.007, 32.009(e)). If the notices are combined, both must be delivered by the date required by the earlier notice.

NOTE: If you are conducting a joint election with the county, please be advised that the Election Code places many requirements on the method of selecting people who must be appointed by the county to work in the November General Election for state and county officers. See Sections 32.002 and 32.034, Election Code.

NOTE: Water Districts: A water district is not required to provide a Notice of Appointment to a presiding judge, as required under Section 32.009, but must provide a [Writ of Election \(PDF\)](#). (Sec. 4.007, Election Code; Sec. 49.110, Water Code).

Recommended date to appoint the **presiding judge and alternate judge of the early voting ballot board** or to designate the election workers of one election precinct to serve as the early voting ballot board. (Secs. 87.001, 87.002, 87.004). There is no statutory notice requirement for members of the early voting ballot board, but good practice suggests that written notice be given to them.

Recommended date to appoint the **central counting station personnel** (manager, tabulation supervisor and assistants to the tabulation supervisor), if applicable. (Secs. 127.002, 127.003,

127.004, 127.005). There is no statutory notice requirement for members of the central counting station, but good practice suggests that written notice be given to them.

First day to post [Notice of Drawing for Place on Ballot \(PDF\)](#) if drawing is to be conducted on Monday, August 26, 2024. This notice must be posted for 72 hours immediately preceding the time of the drawing. (Sec. 52.094(c)).

The authority conducting the ballot position drawing shall provide notice of the date, hour, and place of the drawing to candidates by this date if the drawing is to be conducted on Monday, August 26, 2024, as recommended. (Sec. 52.094(d)). If a candidate in a special election files on this date, they should be given a copy of the notice at the time they file.

The authority conducting the drawing shall provide notice of the date, hour, and place of the drawing to each candidate. The authority may provide written notice at the time the candidate files an application with the appropriate authority.

If notice was not provided at the time the candidate filed an application, the notice may be provided by:

1. written notice that is mailed to the address stated on the candidate's application not later than the fourth day before the date of the drawing; or
2. telephone, if a telephone number is provided on the candidate's application; or
3. by e-mail, if an e-mail address was provided on the candidate's application. (Sec. 52.094).

Political Subdivisions Other Than Counties: 6:00 p.m. — Last day to file an application for a place on the ballot or a [Declaration of Write-In Candidacy](#) (PDF) in a special election to fill a vacancy to be held on the date of the November General Election for state and county officers. (Sec. 201.054(f), (g)). NOTE: For future reference, please note that this deadline is not the same for elections held on the May uniform election date or on the November uniform election date in an odd-numbered year.

Friday, August 23, 2024 (74th day before Election Day)

Counties: Deadline for a party nominee or independent candidate in the November General Election for state and county officers to withdraw from the election. (Secs. 145.032, 145.062).

Counties: Last day on which death, declaration of ineligibility, or withdrawal of a party nominee or an independent candidate for the November General Election for state and county officers causes an omission of the candidate's name from the ballot. (Secs. 145.035, 145.039, 145.064, 145.065). For certain exceptions regarding deceased candidates, please see Section 145.064(b)).

NOTE: A withdrawal request submitted by mail must be **received** by appropriate authority by this date. (Sec. 145.001(c)). A withdrawal request must also be sworn, and candidates may use the [Certificate of Withdrawal \(PDF\)](#). (Sec. 145.001(b)).

If a vacancy occurs on or before this date in a state, district, or county office not regularly scheduled for election in 2024, due to **death, resignation, or removal** of the officeholder, the unexpired term of the office shall be placed on the November 5, 2024 election ballot. (Sec. 202.002(a)). An appointment to fill the vacancy continues until the next succeeding general election and until a successor has been elected and has qualified for the office. Also, depending on the effective date of the vacancy, the office may also be voted on in the next succeeding primary election. (Secs. 202.002(b), 202.004). See [Tex. Sec’y of State Election Advisory No. 2023-20](#).

Political Subdivisions Other Than Counties: 5:00 p.m. — Deadline for write-in candidates to file [Declarations of Write-In Candidacy](#) for regular officers for city, school district, library district, junior college district, hospital district, common school districts, Chapter 36 and 49 Water Code districts, and other political subdivision elections, unless otherwise provided by law. (Secs. 144.006(b), 146.054(b), 146.055, Election Code; Secs. 11.056, 11.304, 130.0825, Education Code; Secs. 326.0431, 326.0432, Local Government Code; Sec. 285.131, Health and Safety Code; Secs. 36.059, 49.101, 63.0945, Water Code). See [Candidacy Filing outline](#) and [Local Candidates’ Guide](#) for more information.

NOTE: An application submitted by mail is considered to be filed at the time of its receipt by the appropriate filing authority. (Secs. 143.007(b), 144.005(b)).

Political Subdivisions Other Than Counties: If you plan on holding your ballot position drawing on Monday, August 26, 2024, then your [Notice of Drawing for Place on Ballot \(PDF\)](#) of such drawing should be posted today. The notice must be posted for 72 hours immediately preceding the time of the drawing. (Sec. 52.094(c)).

Monday, August 26, 2024 (71st day before Election Day)

Political Subdivisions Other Than Counties: The Elections Division recommends that you hold your **ballot position drawing** no later than today to determine the order of candidates’ names on the ballot (Sec. 52.094) and that you certify today to the county election officer the offices, propositions (in all necessary languages), and candidates’ names (including the order) as they are to appear on the ballot, **if you are contracting** to have the county conduct your election or if you are conducting a joint election with the county.

NOTE: After the ballot drawing has occurred, the Elections Division recommends that you proof and test your ballot programming as soon as possible and **prior to the deadline to mail a ballot** if the political subdivision will be using automatic tabulating equipment to count the mail ballots or if your mail ballots are printed from the same database used to program your precinct scanners and/or DREs (See [Note 14](#) above). **The Elections Division also recommends that you provide candidates with copies of ballot proofs so that candidates may verify the correctness of their names, positions sought, and order of names on the ballot.**

NOTE: Ballot position for the November General Election for state and county officers is determined by Sections 52.091 and 52.092, Election Code.

Political Subdivisions Other Than Counties: 5:00 p.m. — Last day for a candidate to withdraw from a general election, by submission of a notarized [Certificate of Withdrawal \(PDF\)](#) or a notarized letter, or to

be declared ineligible. **If a candidate withdraws or is declared ineligible by this date, his or her name is omitted from the ballot.** (Secs. 146.054(c), 145.092(f), 145.094(a)(4)), 145.096(a)(4)).

NOTE - Section 145.098 provides that if a candidate dies on or before the deadline for filing an application for a place on the ballot, the authority responsible for preparing the ballots MAY choose to omit the candidate from the ballot. If the authority does choose to omit the candidate, the deadline for filing an application for a place on the ballot is extended to the fifth day after the filing deadline, Monday, August 26, 2024. This extended deadline only applies to the regular filing deadline. It **DOES NOT** apply to the write-in deadline.

Counties and Other Political Subdivisions: 5:00 p.m. — Last day to **withdraw** as a **write-in** candidate in the general election for state and county officers, or a general or special election ordered by a political subdivision other than a county, (Secs. 144.006(c), 146.0301, 146.054(c)). Candidates may use the [Certificate of Withdrawal \(PDF\)](#).

Political Subdivisions Other Than Counties: Recommended first day that a general or special election must be cancelled if all filing deadlines have passed, each candidate for an office listed on the ballot is unopposed (except as discussed below), and write-in votes may be counted only for names appearing on a list of write-in candidates. The [Certification of Unopposed Candidates for Other Political Subdivisions \(PDF\)](#) may be used to certify candidates as unopposed. Also, see our [Sample Order of Cancellation \(PDF\)](#).

A special election of a political subdivision is considered to be a separate election with a separate ballot from a general election for officers of the same political subdivision held at the same time as the special election. Therefore, the fact that there may be a proposition on the ballot will not prevent a cancellation of an election for candidates who are unopposed. (Sec. 2.051(a)). If any members of the political subdivision's governing body are elected from territorial units, such as single member districts, an election may be cancelled in a particular territorial unit if each candidate for an office that is to appear on the ballot in that territorial unit is unopposed **and no** opposed at-large race is to appear on the ballot. An unopposed at-large race may be cancelled in an election regardless of whether an opposed race is to appear on the ballot in a particular territorial unit. (Sec. 2.051(b)). **This recommended cancellation deadline considers a regular filing deadline of Monday, August 19, 2024, a special election filing deadline of Thursday, August 22, 2024, and a write-in deadline of Friday, August 23, 2024. For additional information, consult the outline on [Cancellation of Election for Local Political Subdivisions](#).**

Political Subdivisions Other Than Counties: *Recommended* date to appoint **presiding and alternate judges**. Currently, the Election Code does not establish a deadline for appointing election officials; there is only a notification deadline. For further information concerning procedures for appointing judges and their alternates, see Sections 32.005, 32.008, and 32.011. General eligibility requirements are found in Subchapter C, Chapter 32. In addition to appointing a judge and alternate judge for each election precinct pursuant to Sections 32.001 and 32.005, the governing body must allow the judge to appoint no less than two clerks; however, the alternate judge must serve as one of the clerks as a matter of law. (Secs. 32.032, 32.033). The presiding judge then appoints an additional clerk(s), but not more than the maximum set by the governing body. (Sec. 32.033). Presiding judges and their alternates must be given a [Notice of Appointment](#) not later than the 20th day after the appointment is made. (Sec. 32.009). If the appointment is for a single election, the notice may be combined with the [Writ of Election](#), which is required to be delivered to each presiding judge not later than the 15th day before the election, Monday, October 21,

2024. (Secs. 4.007, 32.009(e)). If the notices are combined, both must be delivered by the date required by the earlier notice.

Water Districts: A water district is not required to provide a Notice of Appointment to a presiding judge, as required under Section 32.009, but must provide a [Writ of Election](#). (Sec. 4.007, Election Code; Sec. 49.110, Water Code).

Tuesday, August 27, 2024 (70th day before Election Day, 5th day after special election candidate filing deadlines) (State Holiday – LBJ Birthday)

NOTE: Deadlines on this date remain the same and do not move forward.

Political Subdivisions Other Than Counties: 5:00 p.m. — Last day for a candidate (place on the ballot or write-in) to withdraw from a special election, by submission of a notarized [Certificate of Withdrawal \(PDF\)](#) or a notarized letter, or to be declared ineligible. **If a candidate withdraws or is declared ineligible by this date, his or her name is omitted from the ballot.** (Sec. 145.092(e)).

Legislative Vacancies (if applicable): Last day for all candidates (including write-in candidates) to withdraw from a special election to fill a legislative vacancy (if any). (Secs. 146.083, 145.092(a)).

Thursday, August 29, 2024 (68th day before Election Day)

Deadline for Secretary of State (federal, state and district offices) and county judge (countywide and precinct offices) to certify names of independent and declared write-in candidates to county election officer for placement on the November 5, 2024 ballot. (Secs. 142.010, 146.029(c)).

- [Certificate of Write-in Candidacy \(For County and Precinct Offices\) \[PDF\]](#)

Deadline for Secretary of State to certify to county election officer names of party nominees for statewide and district offices for placement on November 5, 2024 ballot, and deadline for Secretary of State to post major party nominees for county and precinct offices. (Secs. 161.008, 172.117).

Political Subdivisions Other Than Counties: Last day for the governing body of a political subdivision to deliver notice of the election to the county election officer and voter registrar of each county in which the political subdivision is wholly or partly located. (Sec. 4.008).

NOTE - Section 4.003 requires that counties post on the county website the notice and list of polling locations of any political subdivision that delivers their notice to the county under 4.008. This is regardless of whether the county is contracting with the entity. [See Note 9](#) for more information on the requirements related to Notice of Election.

NOTE - Section 4.004 requires the notice of election to include the Internet website of the authority conducting the election.

NOTE - Section 83.010 requires an election order and the election notice to state the early voting clerk's official mailing address or street address at which the clerk may receive delivery by common or contract carrier, if different, phone number, e-mail address, and the Internet website, if the early voting clerk has an Internet website. (Sec. 83.010).

Recommended date for county clerk/county elections administrator to deliver an initial list of voters who have submitted annual applications for ballot by mail under Section 86.0015 and scans or photocopies of those applications to the early voting clerk of any political subdivision located within the county that is holding an election on November 5, 2024. The list should only include voters that reside in the political subdivision holding the election. The list should only be created and sent to those political subdivisions that have provided notice of the election to the county clerk/elections administrator. *See also*, the note below and the entry at [Friday, October 25, 2024](#) for more information about delivery of a final list of voters. See entry for [Thursday, October 24, 2024](#) and entry for [Saturday, November 2, 2024](#) for more information on the delivery of copies/images of the applications.

NOTE - Section 86.0015 requires the county clerk/elections administrator to provide a list of voters that have submitted an annual application for ballot by mail to all political subdivisions in their county holding an election. The law only applies to elections for which the county clerk/elections administrator is not the early voting clerk via a contract for election services or joint election agreement. The Election Division *strongly recommends* that the county and political subdivisions **discuss the frequency and method for which these lists should be transmitted** to ensure that ballots are sent out timely. Finally, the county clerk/elections administrator **must deliver either photocopies or scanned images of the applications (under Section 87.126) to the early voting clerk** of the political subdivision before the ballots by mail are delivered to the early voting ballot board for qualifying and counting under Section 87.041.

Monday, September 9, 2024 (57th day before Election Day; 21st day after August 19, 2024)

Political Subdivisions Other Than Counties: Last day to notify election judges of their appointment if they were appointed, as recommended, on **Monday, August 19, 2024**. (Secs. 1.006, 32.009(b)). Presiding and alternate judges must be [notified \(PDF\)](#) of their appointment in writing, not later than the 20th day after the date the appointment is made. **The deadline is extended to the next regular business day which is Monday, September 9, 2024 due to the 20th day falling on Sunday, September 8, 2024.**

The notice of the judge's duty to conduct the election ([Writ of Election \(PDF\)](#)) pursuant to Section 4.007 may be combined with the above notice, if the appointment is for a single election only. If the notices are **NOT** combined, then the notice of the judge's duty to conduct the election (writ of election) must be delivered not later than the 15th day before election day, Monday, October 21, 2024.

Political Subdivisions Other Than Counties: Last day to notify election judges of their appointment if they were appointed, as recommended, on Monday, August 26, 2024. (Secs. 1.006, 32.009(b)). The notice of the judge’s duty to conduct the election ([writ of election \(PDF\)](#)) pursuant to Section 4.007 may be combined with the above notice, if the appointment is for a single election only. Mandatory Office Hours: Each county clerk, city secretary or secretary of a governing body (or the person performing duties of a secretary) must keep the office open for election duties for at least 3 hours each day, during regular office hours, on regular business days. (Sec. 31.122).

NOTE for Independent School Districts: A “regular business day” means a day on which the school district’s main business office is regularly open for business. (Sec. 31.122(b)).

NOTE: Special Elections: In the case of a special election, the office hour rule is triggered starting the third day after the special election is ordered. (Sec. 31.122).

NOTE: Section 31.096 of the Code addresses nontransferable functions under an election services contract. Specifically, an election services contract may not change the political subdivision’s requirement to maintain office hours under Section 31.122. The amendment to Section 31.096 of the Code also allows a county that has contracted with a city to be the custodian of voted ballots for a city election. (Sec. 31.096).

Wednesday, September 18, 2024 (48th day before Election Day)

Recommended date to conduct the first test of the automatic tabulating equipment and for logic and accuracy (L&A test) test on precinct scanners and DREs. (Secs. 127.093, 127.096, 129.022, 129.023). The

SOS recommends you complete your first round of testing **prior to mailing your mail ballots** if those ballots will be counted using automatic tabulation equipment. If you conduct your first round of testing by this date, you must publish notice of the test 48 hours prior to testing. See [Note 14](#), above.

Saturday, September 21, 2024 (45th day before Election Day)

Deadline to mail ballots to military or overseas voters who already submitted their ballot requests via a federal postcard application (FPCA) or via a standard application for ballot by mail (ABBM) and indicated that they are outside the United States. Ballots must be mailed by this date or the 7th day after the clerk receives the application. If the early voting clerk cannot meet this 45th-day deadline, the clerk **must** notify the Secretary of State within 24 hours. (Sec. 86.004(b)).

NOTE: The 45th Day deadline under Section 86.004(b) is not extended by Section 1.006 to the next business day. The ballots covered by Section 86.004(b) should be sent out on or before Saturday, September 21, 2024.

(Sec. 101.001).

NOTE- An FPCA may be submitted by in-person delivery by the voter in accordance with Section 84.008 of the Code or by common or contract carrier. Further, an application is considered submitted in the following calendar year if: 1) the applicant is eligible to vote in an election occurring in January or February of the next calendar year; and 2) the application is submitted in the last 60 days of a calendar year but not earlier than the 60th day before the date of the January or February election. (Sec. 101.052).

Reminder Regarding FPCAs and Overseas ABBMs: If the early voting clerk receives an FPCA (from a military or non-military voter) after the 45th day deadline, then the ballot **must** be mailed within seven days after the early voting clerk **receives** the FPCA. (Secs. 86.004(b), 101.104).

Reminder: In regards to mail ballots for other voters (not military voters using an FPCA or overseas voters using an FPCA or ABBM), the early voting clerk **must** mail a ballot not later than the 7th day after the later of: (1) the date the early voting clerk has accepted a voter's application for a ballot by mail or (2) the date the ballots become available for mailing. However, if the 7th day falls earlier than the 37th day before election day, the voter's mail ballot must be mailed no later than the 30th day before election day. (Sec. 86.004(a)). This means that for every application that is accepted by the early voting clerk before the 37th day before election day, the balloting materials must be mailed by the 30th day before election day. Any application that comes in after the 37th day before election day will follow the 7-day timeline in Section 86.004.

The Secretary of State by rule shall create and maintain a system for receiving and recording these complaints. (Sec. 87.121).

This requirement applies regardless of the county's population size. Any jacket envelopes of early voting ballots voted by mail returned after delivery of the ballots to the early voting ballot board may be delivered to the presiding judge of the early voting ballot board between the end of the ninth day before election day and the closing of the polls on election day, or as soon after closing as practicable, at the time or times specified by the presiding judge. The early voting clerk shall post notice of each delivery of balloting materials that is to be made before the time for opening the polls on election day. The notice must be posted at the main early voting polling place continuously for at least 24 hours immediately preceding the delivery.

NOTE - The early voting ballot board can meet as soon as the county has received voted ballots by mail from voters and those materials are delivered to the ballot board. The ballot board does not have to wait until this ninth-day deadline to meet.

Please note that the mail ballots may not be counted until (i) the polls open on election day, or (ii) in an election conducted by an authority of a county with a population of 100,000 or more or entities that are having joint elections with such a county or who are conducting their election with such a county through a contract for election services, the end of the period for early voting in person. The signature verification committee must include with the notice delivered to the voter: (1) a brief explanation of each defect in the noncomplying ballot; and (2) notice that the voter may either cancel the voter's application to vote by mail in the manner described by Section 84.032, correct the defect in the voter's ballot by submitting a corrective action form by mail or by common or contract carrier, make the correction using the Secretary of State's online Ballot by Mail Tracker, if possible, or come to the early voting clerk's office in person not later than the sixth day after election day to correct the defect(s). (Sec. 101.001).

NOTE - Be sure to check the list of registered voters for permanent registration status. Also, state law authorizes an FPCA to also serve as an application for **permanent registration**; therefore, the person might be permanently registered based on a prior FPCA. Even if the FPCA arrives too late for a particular election, the early voting clerk will still need to forward the original FPCA to the county voter registrar, after making a copy for your early voting clerk's use (mailing ballots, etc.) and records unless the voter marked **"my intent to return is uncertain"** ([2019 form \(PDF\)](#)), or **"my return is uncertain"** (2017 form), in which case it will not serve as a permanent registration. (Sec. 101.055; 1 T.A.C. § 81.40).

NOTE - Overseas (non-military) voters marking the FPCA **"my intent to return is uncertain"** ([2019 form \(PDF\)](#)), or **"my return is uncertain"** (2017 form), receive a federal ballot **only** regardless of the date filed. (Chapter 114). In a local (non-federal) election, this means there is **no ballot to send the voter**.

(Secs. 85.062(d)(3), 85.067(c)).

The early voting clerk is required to maintain this application since it may be used for other elections.

NOTE: Overseas (non-military) voters marking the FPCA **"my intent to return is uncertain"** ([2019 form \(PDF\)](#)), or **"my return is uncertain"** (2017 form), receive a federal ballot **only regardless** of the date filed. (See Chapter 114). A person submitting an FPCA during this period is entitled to receive a federal ballot only (no state, district, or county offices), if not already a permanent registered voter. (Secs. 101.052(f), 114.002, 114.004).

NOTE: For counties that do not contract with local entities, the voter will only receive a ballot with federal offices.

NOTE: For entities not contracting with counties, there will be no federal office on that entity's ballot. Therefore, there will be no ballot to send the voter for that entity's election.

(Sec. 85.005(a)).

NOTE - NEW LAW: HB 1217 (2023, R.S.) amended Section 85.005(c) of the Code, effective September 1, 2023, to require that in **ALL** counties (**regardless of population**), voting in a special election ordered by the Governor shall be conducted at the main early voting polling place **for at least 12 consecutive hours on each of the last two days of the early voting period**. Voting may not be conducted earlier than 6:00 AM or later than 10:00 PM. (Sec. 85.005(c)). See [Tex. Sec’y of State Election Advisory No. 2023-10](#).

NOTE - For other local political subdivisions that do not have a city or county election officer serving as the early voting clerk, and which have fewer than 1,000 registered voters, any established temporary

branch location must remain open for at least 3 hours on each of the days that voting is required to be conducted at the main early voting location. See [Tex. Sec’y of State Election Advisory No. 2023-10](#).

NOTE - Independent School Districts: Despite the change in state law that allows an ISD to be closed on school holidays during the mandatory office hours period, you are **required to be open** during the entire early voting period, except on legal state and national holidays. (Sec. 85.005(b)).

NOTE - Joint Elections: If entities are conducting early voting by personal appearance jointly, we *recommend* a unified schedule covering all requirements; i.e., no entity’s requirements should be neglected or subtracted as a result of a joint agreement. See [Note 8](#) regarding joint elections generally.

Counties, Cities, and School Districts: Section 65.016 of the Code provides for election results information which must be posted on county, city, and school district websites. A county that provides election services for an election for a public entity must post certain information regarding election results on their website after the election. A city or independent school district that holds an election and maintains an Internet website must also post certain information on their website related to election results, even if the county is also posting. All entities must post the required information **as soon as practicable after the election**. The required information includes:

1. the results of each election;
2. the total number of votes cast;
3. the total number of votes cast for each candidate or for or against each measure;

Counties may choose to make older election results information available on their website. See [Note 3](#).

However, under this type of delivery, the county voter registrar **must** go to the custodian of election records office and pick up the provisional ballots and forms. Also, note that the county voter registrar may take possession of provisional ballots prior to election night if ballots are kept separate and may be provided without unlawful entry into ballot box. However, the canvass may not be conducted until the ballot board has verified and counted **all** provisional ballots, if a provisional ballot has been cast in the election, **AND the ballot board has finished convening for all late arriving ballots.** (Sec. 67.003). See [entries](#) for November 6, 2024 and [entries](#) for November 12, 2024. Notice of canvass must be posted at least 72 hours continuously before the canvass is conducted.

RUNOFF NOTE - The runoff election can be ordered as soon as the canvass is completed. Therefore, November 8, 2024 is the first date a runoff election can be ordered. Our office **recommends** that a political subdivision order their runoff election as soon as the election has been canvassed.

NOTE - NEW LAW: HB 5180 (2023, R.S.) amended Section 1.012 of the Code, effective September 1, 2023, to provide that on the first day after the final canvass of an election is completed, the general custodian of election records shall make images of voted ballots and cast vote records available for public inspection. See [Note 22](#).

Cities, Schools, and Other Political Subdivisions: First day that newly-elected local officers may qualify and assume the duties of their offices. Please note that the canvass must have been completed **before** an officer can assume office. (Sec. 67.016). If a political subdivision was able to **cancel** its election, this is the first day its elected officials can be issued a certificate of election and take the oath of office. (Secs. 2.053(e), 67.003, 67.016). For information on who can administer an oath, please see Chapter 602 of the Government Code or review [Tex. Sec’y of State Election Advisory No. 2017-10](#).

exercise the duties of office beginning the fifth day after the date of the election, excluding Sundays. However, **no newly elected official may qualify for office before the official canvass of the election has been conducted** (or would have been conducted, in the event of a cancelled election). Section 22.036 of the Texas Local Government Code further requires that the newly-elected governing body of the municipality “meet at the usual meeting place and shall be installed.”

NOTE: If a recount petition has been filed, the certificate of election cannot be issued for that race until the recount has been completed. (Secs. 67.016, 212.0331).

(Sec. 85.005(b)).

RUNOFF NOTE - Joint Elections: If entities are conducting early voting by personal appearance jointly, we *recommend* a unified schedule covering all requirements; i.e., no entity’s requirements should be neglected or subtracted as a result of a joint agreement.

(Sec. 101.001). For a full list of eligible FPCA voters, see [Note 16](#).

Last day for early voting clerk to receive applications for a ballot to be voted by mail. (Sec. 84.007(c)). All applications to vote by mail must be received by the early voting clerk before the close of regular business or 12 noon, **whichever is later**. Applications to vote by mail must be submitted by mail, common or contract carrier, fax (if a fax machine is available in the office of the early voting clerk), or by electronic

submission of a scanned application with an original signature. The early voting clerk's designated email address must be posted on the Secretary of State's website.

An applicant for a ballot to be voted by mail (ABBM or FPCA) may submit the application by delivering it in person to the early voting clerk if the application is submitted not later than the close of regular business in the clerk's office on Tuesday, December 3, 2024. (Sec. 84.008).

RUNOFF NOTE - Section 84.008 of the Code provides that an applicant for a ballot to be voted by mail may submit the application by delivering it in person to the early voting clerk if the application is submitted not later than the deadline provided by Section 84.007(c) of the Code. This means that voters may personally deliver their ABBM or FPCA to the early voting clerk not later than the close of regular business in the early voting clerk's office or 12 noon, whichever is later, on the 11th day before election day (unless that day is a Saturday, Sunday, or legal state or national holiday, in which case the last day is the first preceding regular business day).

If an ABBM is faxed or emailed or if an FPCA is faxed, then the applicant must submit the ORIGINAL application BY MAIL to the early voting clerk so that the early voting clerk **receives the original no later than the 4th business day after receiving the emailed or faxed ABBM or faxed FPCA**. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete, and the early voting clerk may NOT send the applicant a ballot. The early voting clerk should retain a copy of the FPCA for their own records, but should send the FPCA submitted by the voter to the voter registrar for registration purposes. (Sec. 84.007). The requirement to mail the original application does not apply to an **emailed** FPCA.

RUNOFF NOTE - NEW LAW: SB 1599 (2023, R.S.) amended Section 86.008 of the Code, effective September 1, 2023, to require that if the early voting clerk determines that it would not be possible for the applicant to correct certain defects in a mail ballot application and return an application form by mail before the deadline, the clerk may notify the applicant by telephone or e-mail of the defect, and inform the applicant that the applicant may come to the early voting clerk's office before the deadline and correct the defect in person. The clerk shall notify the applicant of a defect discovered and provide the information required to permit the applicant to correct the defect using the Secretary of State's online Ballot by Mail Tracker, if possible. For more information on corrective action, see [Note 17](#) and [Tex. Sec'y of State Election Advisory No. 2023-13](#).

(Secs. 1.006, 4.003(a)(3)).

(Sec. 127.1311).

We recommend that election results information remain posted on the entity's main page (or within two clicks of the main page) at least until the next election, and that the information continues to be available for the full 22-month retention period for election records. Entities may choose to make older election results information available on their website.

Entities contracting with counties that have a population of 250,000 or more: Per Section 127.009 of the Election Code, entities that are contracting or holding elections with counties that have a population of 250,000 or more must forward a copy of the audit logs from the central counting station to the Secretary of State no later than the fifth day after voting is completed. RUNOFF NOTE - Section 86.007 provides that a marked ballot voted by mail that a voter received due to submitting an ABBM may arrive at the address on the carrier envelope not later than 5:00 p.m. on the day **after** election day, if the carrier envelope was placed for delivery by mail or common or contract carrier from **within** the United States **and** bears a cancellation mark of a postal service or a receipt mark of a common or contract carrier or a courier from **not later than 7:00 p.m.** at the location of the election on election day.

RUNOFF NOTE - This deadline does **not** apply to ballots sent by non-military voters who are overseas but applied for a ballot using an ABBM; these voters have until the 5th day after election day to return their ballots (or the next business day if the 5th day falls on a weekend or legal state or federal holiday). However, under this type of delivery, the county voter registrar **must** go to the custodian of election records office and pick up the provisional ballots and forms. Also, note that the county voter registrar may take possession of provisional ballots prior to election night if ballots are kept separate and may be provided without unlawful entry into ballot box.
