

Additional Instructions for Texas Application for Ballot by Mail

- You must provide in Section 3 one of the following grounds of eligibility to vote by mail:
 - **65 years of age or older** – You must turn 65 no later than Election Day.
 - **Disability** – You affirm that, “I have a sickness or physical condition that prevents me from appearing at the polling place on Election Day without a likelihood of needing personal assistance or injuring my health.”
 - **Confinement for childbirth** – You expect to give birth within three weeks before or after Election Day.
 - **Expected absence from the county** – You must expect to be absent from the county on Election Day and during the hours of early voting by personal appearance or the remainder of the early voting period after you submit your application. The ballot must be mailed to an address outside the county.
 - **Confined in jail or involuntary civil commitment** – At the time your application is submitted, you are either:
 - Confined in jail serving a misdemeanor sentence for a term that ends on or after Election Day;
 - Pending trial after denial of bail;
 - Without bail pending an appeal of a felony conviction;
 - Pending trial or appeal on a bailable offense for which release on bail before Election Day is unlikely; or
 - You are involuntarily civilly committed under Chapter 841 of the Health and Safety Code.
- **Annual Application** – Only voters 65 years of age or older or with a disability are eligible to apply for an annual ballot by mail. Annual applications, if submitted within 60 days of an election taking place in the subsequent calendar year, will be valid for all elections for that entire year. To ensure you receive all applicable ballots, your annual application may be forwarded to other entities holding elections. This means you may receive a ballot for additional elections in addition to the ballot you requested with this application.
