School Liaisons (SLs) are the central point of contact for commanders, military families, & school districts on Preschool-12th grade school matters. Speaking the dual language of military to educators and education to the military they are considered the Education Office for Prek-12 in the local community and state. They advocate for military connected students at the local, state and national level. Differences in local demographics, installation mission, and community characteristics significantly impact SLs function. The foundation of the program will be the same, but the implementation will look different.

SLs serve DoD Total Force members, DoD Civilians, Retirees, Guard/Reserve and eligible family members to include NOAA, USPHS, foreign national employees and contractors assigned.
