September 27, 2024, Release

PEIMS Application

- **The PEIMS Application has been updated for the PEIMS Fall and Mid-Year Submissions to correct an issue where 'Career and Technical Education' was being listed as a report category within the Standard Reports drop down menu.**

- **The PEIMS Application Search Submission Data function has been updated for the PEIMS Summer Submission to correct an issue with the search criteria functionality. When the 'Student' Category and the 'Career and Technical Education Attendance' Subcategory were selected, the application was not returning results and an error message was displayed.**

- **The PEIMS Application has been updated to correct an issue where the 'Monitor Data Promotions' screen was experiencing a delay in the job status update causing a 'COMPLETED' job to appear as 'IN PROGRESS'.**

PEIMS Promotion Logic

- The PEIMS Fall Student>Enrollment (School Association) and Title 1 Part A Program promotion logic has been updated to include students with the AsOfStatusLastFridayOctober codes 'C', 'E', and 'G'.

- The PEIMS Fall Student>Leaver promotion logic has been updated for IndividualGraduationCommitteeGraduateIndicator to promote '00' when the value is 'false.'

- The PEIMS Fall Education Organization>Campus promotion logic has been updated to promote 'Active' and 'Under Construction' campuses. Prior to this change, Ed Org>Campus was only promoting 'Active' campuses.

PEIMS Validation Rules

- The following new PEIMS Mid-Year Submission validation rules have been added to align with TEDS 2025.2.0 and 2025.2.1.

    20032-0156   20032-0157

- The following PEIMS Mid-Year Submission validation rule has been updated to align with TEDS 2025.2.1.
