ECDS Promotion Logic

- The ECDS KG promotion logic has been updated to correct an issue where LEAs were unable to promote CourseCode (E3071), 02562005 Spanish Language Arts and Reading, Kindergarten, to the Core data mart. This issue was causing fatal validation 40110-0184 to fire.

PEIMS Promotion Logic

- The PEIMS Fall non-prior year leaver promotion logic has been updated to specify that Student Basic Information should be promoted if the EntryDate (E3023) is on or before snapshot.

PEIMS Validation Rules

- The following PEIMS rule has been downgraded from a fatal to a special warning for the 2024-2025 PEIMS Mid-Year Submission only.

20032-0025

RF Tracker Promotion Logic

The RF Tracker promotion logic has been updated to correct an issue when the StudentResidentialFacilityAssociation DateExitedRF (E1631) was null, the date was promoting as '01/01/2099'.

PEIMS Application & Reports

- The PEIMS Fall Submission has been updated to accommodate the change to the PEIMS Fall Submission due dates. The internal process that runs between submission and resubmission for accepted LEAs is being queued to run daily at 7:00 a.m. starting on Monday, December 16, 2024. LEAs that are in accepted status will be included in this process daily. This process will populate the following reports:
 - **PDM1-321-001 Presumed Underreported Students List**
 - **PDM1-403-001 Duplicate Student Report for Enrollment and Grades**
- The PEIMS Mid-Year Submission has been updated to auto-generate the following report when the ESC/LEA PEIMS Data Approver initiates the PEIMS Mid-Year Submission approval process. This update also appends this report to the automatic email confirmation that the approver will receive.

- **PDM2-101-003 Statement of Revenues, Expenditures, & Changes in Fund Balances – Governmental Funds**
