

Bedford Sustrans

THE WHEELIE GOOD TRAIL

Have an adventure this October half-term finding the different types of Active Travel Vehicles hidden around the woods on the circular route, starting from Priory Marina Beefeater. **Come and see which magical creatures use them too!**

16 TO FIND!

24th October - 1st November 2020

Post your hunting photos to @sustransBedMK

Bedford Sustrans

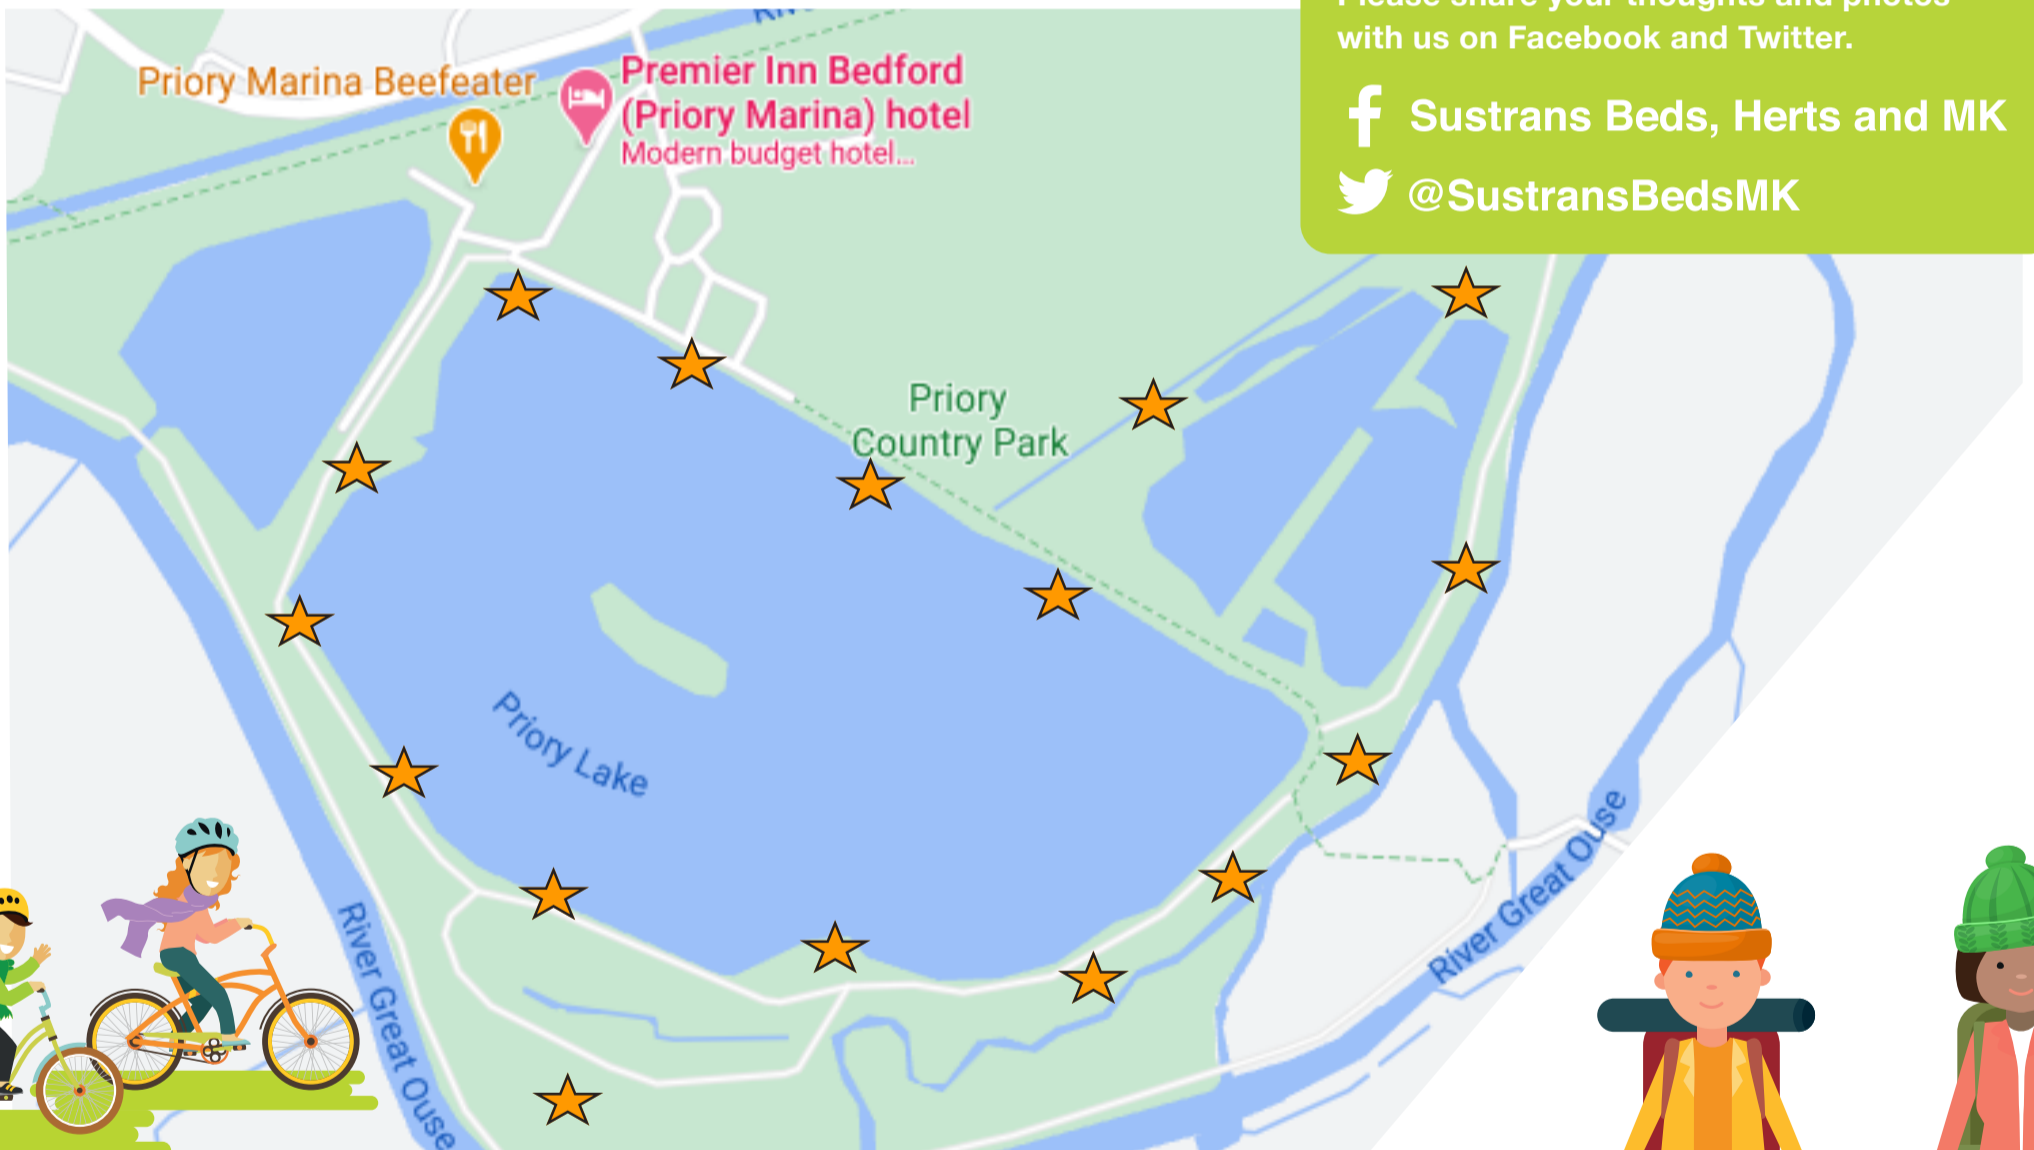

THE WHEELIE GOOD TRAIL

There are 16 pictures of different types of active travel vehicles to find all around **Priory Country Park**. Along with each picture, there will be a hidden magical surprise, can you find them? Who else might use a bicycle? Maybe someone with a fairy god-mother? Or someone concerned with elf and safety? The stars give approximate locations of the pictures and magical surprises. **Enjoy!**

Please share your thoughts and photos with us on Facebook and Twitter.

 **Sustrans Beds, Herts and MK**

 **@SustransBedsMK**

Please take your rubbish home with you. Please do not touch the fairy doors. Please remember to keep 2 metres apart from other families and to scan the QR code for this event on your NHS track and trace app – these codes can be found at 3 locations around the Park.

How to find THE WHEELIE GOOD TRAIL

The start of the trail is from Priory Marina Beefeater, Priory Country Park, Barkers Lane, Bedford MK41 9DJ. Please print your own map and bring it along with you, then take it home with you once you are finished. Please note that Priory Country Park is open 7 days a week 6am - 10pm.

This trail has been organised by the sustainable transport charity Sustrans with the help of Bedford Borough Council. Sustrans and affiliates have worked together to create an exciting day out with the aim of encouraging families to enjoy and explore the outdoors this autumn by walking, cycling or scooting around Priory Country Park.
