Summer Reading Challenge 2022

GADGETEERS

Presented by The Reading Agency.
Delivered in partnership with libraries.

There are only 7 days to go before the launch of this year's Summer Reading Challenge 2022 – Gadgeteers.

This year's theme, in partnership with the Science Museum Group, will show children that **science; invention and technology** is all around us every day and will inspire them to be curious and get creative.

The Summer Reading Challenge encourages children from four to 12 years to read between one and 6 books for enjoyment during the school summer holidays.

The FUN starts on **Saturday 9th July** at all libraries throughout the Bradford district.

It's free and easy to join with a library card and you can read **ANY** library books you like.

Children who join will receive a **Gadgeteers** kit bag, complete with reading poster, stickers and bookmark. When you have read 3 books you will receive your second set of stickers and a science-facts paper game. If you complete the Challenge by reading 6 books, you'll receive your third set of stickers and a **Gadgeteers Certificate and Medal** - in recognition of your fantastic reading achievement.

You can also join us at your local library for our free family-friendly themed events throughout the summer holidays.
