Summer Reading Challenge 2022

GADGETEERS

Presented by The Reading Agency.
Delivered in partnership with libraries.

There's still time to complete the Gadgeteers Summer Reading Challenge 2022. The FUN continues until **Saturday 10th September.** How many books have your read? Don't forget to collect your Certificate and Medal from your local library.

And there's still time to join this year's Gadgeteers Summer Reading Challenge. You might not be able to read six books however reading even one book before going back to school will help get you ready for the new school term.

This year's theme, in partnership with the Science Museum Group, will show children that **science; invention and technology** is all around us every day and will inspire them to be curious and get creative.

The Summer Reading Challenge encourages children from four to 12 years to read between one and 6 books for enjoyment during the school summer holidays.

It's free and easy to join with a library card and you can read **ANY** library books you like.

Children who join will receive a **Gadgeteers** kit bag, complete with reading poster, stickers and bookmark. When you have read 3 books you will receive your second set of stickers and a science-facts paper game. If you complete the Challenge by reading 6 books, you'll receive your third set of stickers and a **Gadgeteers Certificate and Medal** - in recognition of your fantastic reading achievement.
