Cefndir

Background

Er bod economi Cymru yn dechrau adfer ar ôl effaith gychwynnol Brexit a phandemig COVID-19, mae'n dal i achosi anawsterau i bobl sy'n byw yng Nghymru sy'n ei chael hi'n anodd cael gwaith.

O ran yr unigolion a oedd yn wynebu rhwystrau at waith yn barod, mae'r sefyllfa gymdeithasol ac economaidd bresennol wedi golygu bod llawer yn wynebu mwy fyth o anfantais.

Er mwyn helpu i wella'r canlyniadau o ran cyflogaeth i'r unigolion hyn ac ailadeiladu economi Cymru, mae Llywodraeth Cymru yn buddsoddi mewn sawl rhaglen cyflogadwyedd a hyfforddiant. Nod y rhaglenni hyn yw bod o fudd i unigolion a galluogi busnesau i dyfu fel y gallwn, gyda'n gilydd, ddiwallu anghenion ein tirlun economaidd sy'n newid.

Un ffordd y mae'r cynlluniau hyn wedi cael eu datgelu yw drwy'r **Warant i Bobl Ifanc.** Wedi'i lansio yn 2021, mae'r Warant i Bobl Ifanc yn ymrwymiad gan Lywodraeth Cymru i ddiwallu anghenion pobl ifanc drwy gynnig cefnogaeth i gael lle mewn addysg, hyfforddiant, neu gyflogaeth.

Er mwyn adeiladu ar hyn a helpu i wireddu'r ymrwymiad hwn ar gyfer oedolion o bob oed yng Nghymru, bydd rhaglenni cyflogadwyedd fel **ReAct+** yn cynnig cymorth personol wedi'i ariannu i'r rheini sydd ei angen fwyaf.

Though the Welsh economy is starting to recover from the initial impact of Brexit and the COVID-19 pandemic, it is still presenting difficulties for people living in Wales who are struggling to get into work.

For individuals who were already faced with barriers to employment, the current social and economic situation has left many at an even greater disadvantage.

To help improve the employment outcomes for these individuals and to rebuild the Welsh economy, the Welsh Government is investing in several employability and training programmes. These programmes aim to benefit individuals and to allow businesses to grow so that together we can meet the needs of our changing economic landscape.

One way that these plans have been unveiled is through the **Young Person's Guarantee.** Launched in 2021, the Young Person's Guarantee is a commitment from the Welsh Government to meet the needs of young people by offering support to gain a place in education, training, or employment.

To build on this and help bring this commitment to life for Welsh adults of all ages, employability programmes such as **ReAct+** will offer funded, personalised support to those that need it the most.

Cyflwyniad i ReAct+

Introduction to ReAct+

Mae ReAct+, sy'n cael ei lansio ym mis Mehefin, yn rhaglen newydd gan Lywodraeth Cymru sy'n cynnig cymorth cyflogaeth personol yn rhad ac am ddim i helpu pobl i symud i gyflogaeth barhaus.

Mae ReAct+ yn rhaglen hyblyg sy'n ceisio helpu i ddileu'r bwlch mewn diweithdra ac anweithgarwch economaidd drwy ymateb i anghenion unigolion ac unrhyw rwystrau y gallan nhw eu hwynebu, fel bylchau mewn sgiliau, gwella hyder a lles. Cynigir cefnogaeth ariannol hefyd drwy gyfrwng grantiau hyfforddi a datblygu sgiliau, cyllid ar gyfer teithio a gofal plant/gofal.

Prif nod y rhaglen yw cefnogi'r rheini sydd wedi colli eu swyddi yn ystod y 12 mis diwethaf neu sydd wedi cael hysbysiad dileu swydd, i gael gwaith. Fel rhan o'r Warant i Bobl Ifanc, bydd ReAct+ hefyd yn cefnogi pobl ifanc rhwng 18 a 24 oed nad ydynt mewn addysg, cyflogaeth na hyfforddiant.

Mae ReAct+ yn cymryd elfennau mwyaf llwyddiannus y rhaglen flaenorol a phatrymau cyflawni effeithiol er mwyn helpu miloedd o bobl i gael gwaith ledled Cymru.

Amcanion:

- Mae ReAct+ yn darparu cymorth dysgu a datblygu personol i oedolion 18 oed a hŷn er mwyn mynd i'r afael ag unrhyw rwystrau sy'n eu hatal rhag cael gwaith.
- Nod ReAct+ yw lleihau nifer yr oedolion di-waith yng Nghymru.
- Mae'r rhaglen hefyd yn ceisio cynyddu hyder a chymhelliant cyfranogwyr i ddychwelyd i weithio ar ôl colli eu swyddi neu ar ôl cyfnod byr o ddiweithdra.

At bwy mae'r rhaglen wedi'i hanelu:

Unigolion dros 18 oed sydd wedi colli eu swyddi yn ystod y 12 mis diwethaf neu sydd wedi cael hysbysiad dileu swydd. Mae'r rhaglen yn elfen bwysig o gynllun Llywodraeth Cymru ar gyfer cyflogadwyedd a sgiliau - **Cymru Gryfach, Decach a Gwyrddach.**

Sut mae cael mynediad:

Cymru'n Gweithio yw'r porth i unigolion gael gafael ar y cymorth sy'n cael ei ddarparu gan ReAct+. Bydd anghenion yr unigolyn yn cael eu trafod â chynghorwyr Cymru'n Gweithio yn ystod asesiad a chyfweliad cyfeirio'r unigolyn.

Launching in June, ReAct+ is a new Welsh Government programme that offers free, personalised employment support to help people progress into sustained employment.

ReAct+ is a flexible programme that aims to help eliminate the gap in unemployment and economic inactivity by responding to the needs of individuals and any potential barriers they face, such as skills gaps, improving confidence and well-being. Financial support is also offered by way of skills training and development grants, funding for travel and childcare/care.

The main aim of the programme is to support those who have become unemployed within the last 12 months or are under notice of redundancy, into work. As part of the Young Person's Guarantee, ReAct+ will also support 18 – 24 year olds who are not in education, employment or training.

ReAct+ takes the most successful elements of the previous programme and effective patterns of delivery to successfully support thousands of people into work across Wales.

Objectives:

- ReAct+ provides personalised learning and development support for adults 18 years and above, to address any barriers that are preventing them from entering employment.
- ReAct+ aims to reduce the number of unemployed adults in Wales.
- The programme also seeks to increase participants' confidence and motivation to return to work after redundancy or a short period of unemployment.

Who it is aimed at:

Individuals over the age of 18 who have become unemployed within the last 12 months or are under notice of redundancy. The programme is a key element of the Welsh Government's plan for employability and skills - **A Stronger, Fairer, Greener Wales.**

How it can be accessed:

Working Wales is the gateway for individuals to access the support provided by ReAct+. The needs of the individual will be discussed with Working Wales advisers during the individual's assessment and referral interview.

Cysyniad creadigol

Creative concept

Rydyn ni'n gwybod bod rhwystrau pawb rhag cyflogaeth yn unigryw, a dyna pam rydyn ni'n adlewyrchu hyn yn negeseuon ein hymgyrch – **cymorth cyflogaeth mor unigryw â chi.**

Crëwyd ReAct+ i roi datrysiad sy'n unigryw i'r unigolyn, waeth beth yw eu hamgylchiadau neu eu dewisiadau. Yn greadigol, rydyn ni wedi gwireddu'r syniad yma drwy ddefnyddio agweddau ar fywydau pobl a chynnyrch sydd wedi'i greu mewn ffordd sy'n unigryw i'r person sy'n ei dderbyn.

Mae gan bobl **chwaeth** wahanol, ac yn aml maen nhw'n archebu diodydd sy'n unigryw iddyn nhw.

Mae gan bobl **steil** wahanol ac maen nhw'n gwisgo dillad sy'n unigryw iddyn nhw.

Ac maen nhw'n gwrando ar **sain** a cherddoriaeth maen nhw'n ei hoffi, sy'n unigryw iddyn nhw.

Drwy ddefnyddio'r math yma o iaith a delweddau cysylltiedig, rydyn ni wedi llwyddo i ddod â'r hyn sy'n unigryw am ReAct+ yn fyw.

- **Cymorth cyflogaeth mor unigryw â'ch chwaeth.**
- **Cymorth cyflogaeth mor unigryw â'ch steil.**
- **Cymorth cyflogaeth mor unigryw â'ch sain.**
- **Cymorth cyflogaeth mor unigryw â chi.**

We know that everyone's barriers to employment are unique which is why we reflect this in our campaign messaging **– employment support, as unique as you.**

ReAct+ has been created to provide a solution that's unique to the individual, no matter their circumstance or preference. Creatively, we've brought this idea to life by using aspects of people's lives and products that have been created in a manner that is unique to the person receiving them.

People have different **tastes** and often order drinks that are unique to them.

People have different **styles** and wear clothes that are unique to them.

And they listen to **sounds** and music that they like, that are unique to them.

By using this type of language and associated imagery, we have brought the uniqueness of React+ to life.

- **Employment support as unique as your taste.**
- **Employment support as unique as your style.**
- **Employment support as unique as your sound.**
- **Employment support as unique as you.**
