

We want to hear from families that have benefitted from the Childcare Offer for Wales.

We're looking for families that have already benefitted from the Childcare Offer for Wales and are willing to share their story so we can continue to spread the word about the Offer.

Do you know anyone?

If you know a family that currently/have recently received the Offer, and you think they would be willing to share their story, we want to hear from you.

We want to capture as much diversity as possible, so that we share stories from across all parts of Wales, including families from all backgrounds such as LGBTQ and Black, Asian and Minority Ethnic families, Welsh speaking families, single parent and blended families etc. Each family that takes part will receive a £50 voucher for their time.

Please let us know some basic information about the parent/s you would like to nominate:

- Name
- Location
- Occupation
- When did they access the Offer for their child/children?
- Are they a Welsh speaker?
- Contact details of the parent/s (email/mobile number)
- Your contact details (email/mobile number)

Don't worry if you haven't got all the details. We can get these when we speak to your nominated parent/s. All information you provide will be handled in accordance with GDPR guidelines and the privacy notice outlined below.

You can send nominations to shauna.jones@freshwater.co.uk

Thank you for your support with this. Together, we can let as many people as possible know that the Childcare Offer for Wales is available to support parents with the cost of childcare.
