

Who do you want/need to be involved?

What experiences, talents and skills will they bring?

How will you encourage people?

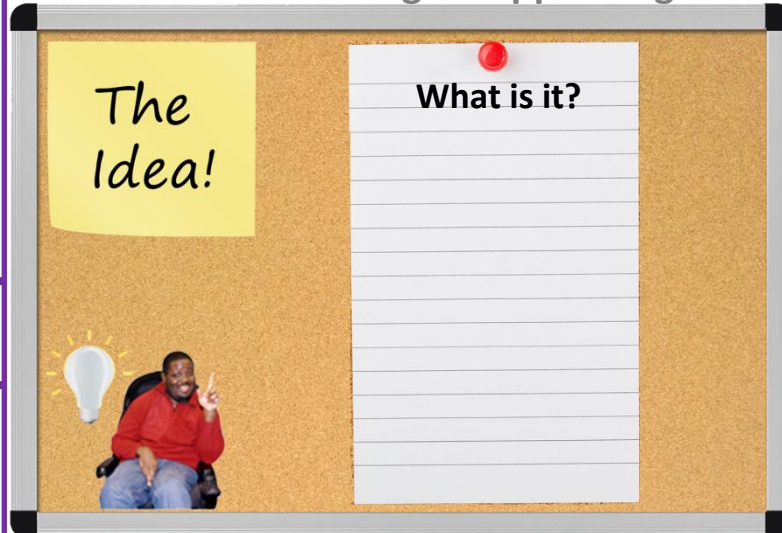

What rewards will you offer?

Co-production

Time to Plan - Making it happen Together

More information on the idea...

What we hope/want to achieve.

Have you built in support & training?

Have you seen people face to face?

Have you built in time for people to think & reflect?

Is the information accessible?
