

Cumbria County Council

What can I do this week?

This week it is...paper plates

Tuesday – masks

It is quite easy to make masks using paper plates.

You and your child can choose the characters you want, and you could:

- Paint the plate and decorate it with eyes and a mouth.
- Attach a lolly pop stick as a way of holding the mask.
- Cut holes for eyes and a mouth.
- Cut ring of the plate so the face can go in the centre.
- Now you have your characters you could act out a well-known story or make-up your own.
