

Cumbria County Council

What can I do this week?

This week it is...paper plates

Thursday – paper plate

- Use a paper plate to make a sundial by writing the numbers 1-12 around the edge.
- The numbers will need to be spaced out equally. You could count the ridges on the plate and leave the same number between each number or use a ruler.
- You can decorate your sundial.
- Now attach a stick/ pencil in the exact centre of the plate. Make it firm so it stays upright.
- On a sunny day set your sundial so you know the time is accurate and you will be able to use it to tell the time when the sun is out!!
