

Cumbria County Council

What can I do this week?

This week it is...paper plates

Saturday – plate patterns

- You can make patterns on the paper plate by collecting interesting objects from inside or outdoors.
- Talk about the patterns, if possible, introduce new words and ideas such as repeating, stars, triangle, sphere.
- You could draw patterns on the plate or copy the patterns from the pottery plates you have in the house.
- You could use the plates to have a toy or teddy bear's picnic.
