## What can I do this week?

This week it is...paper plates

### Sunday – Froggie

- There are lots of different frogs designs you can make with a paper plate.
- Fold the plate in half and add the bulging eyes and big tongue. You could add feet as well.
- Move your hand and your frog can talk. You could make him another Froggie friend to talk to.
- Your frogs could tell jokes or sing:

*Five little speckled frogs sat on a speckled log  
eating the most delicious grubs Yum, Yum*

*One jumped into the pool where it was nice and  
cool*

*Then there were four green speckled frogs Glub,  
Glub*
