

Cumbria County Council  
*Early Years Team*

**What can I do  
today?**

**This week it is ...stones**

## **Saturday**

### **Stone decorations and pets!**

- Children often enjoy painting things other than a flat, smooth piece of paper.
- Gather some stones and have fun painting them to be used as decorations for the garden or plant pots or perhaps leave them somewhere for other people to find.
- You could drip paint and watch it run and mix or perhaps paint a pattern.
- You could paint a stone pet to play with and look after! Perhaps it could be a bee or even a stone monster? You could add eyes or other craft supplies.
- What is your pet called? Where will it live? Where will it sleep? What will it eat?
