

Cumbria County Council

What can I do today?

This week it is ...playdough

Tuesday

Buttons

You will need

- Dice
- Buttons or counters
- Playdough
 - Encourage your child to roll out some playdough. It could be one big piece or several smaller pieces.
 - Take turns rolling the dice. When the dice lands on a number, you squash that many buttons into your playdough.
 - On the next number rolled, you could ask your child if they need to add more buttons to the playdough or take some away.
 - This is a good game for number recognition and fine motor skills.
