*Early Years Team*

**What can I do  
today?**

**This week it is...jam jars**

## **Friday – sound jars**

- Use your jar to collect objects from around the house that begin with the same letter.
- The jar in the picture has penguin, pasta, and a peg. The pen and potato can't fit into the jar, but it is ok to collect them as well.
- Depending on your child you could help them to write the letters and stick them on the lids. You may need to help them and cut out the letters.
- For older children you could move the jars around to make three letter words.
