**What can I do  
today?**

**This week it is ... clothes**

## **Wednesday**

### **Magazine cut out**

- Gather some old magazines or newspapers with your child and find pictures of clothes to cut out.
- Younger children may need the pictures cut out for them, older children may be able to do this themselves.
- Stick the clothes pictures on a piece of paper then draw some arms, legs and heads.
- Perhaps you could select outfits for each member of your family?
