*Early Years Team*

**What can I do  
today?**

**This week it is ... clothes**

## **Saturday**

### **Clothes for toys**

- Our children grow out of clothes very quickly – rescue any old clothing or material that isn't suitable to be passed on or donated and use it to make clothes for teddies, dolls, or figures.
- You don't have to be an expert at sewing – simply cut holes in material for heads and arms and tie around the middle with strips of cut material, wool, ribbon or string. Your child may need help to cut certain materials – perhaps even just an adult holding the material taut and still for them to have a go.
- Odd socks can be repurposed to make a doll a new dress by simply snipping holes!
