

Cumbria County Council  
*Early Years Team*

**What can I do  
today?**

**This week it is ...pipe cleaners**

## **Monday**

### **Threading**

- You will need a clean colander, (if you haven't got a colander you could put holes in a cardboard box) and some coloured pipe cleaners.
- Sit with your child as they pop a pipe cleaner into each hole.
- Count the pipe cleaners with them, as they carefully poke each one into a hole.
- Talk about the different colours.
- Can they bend some of the pipe cleaners so that they can poke them into two holes or in one hole and out of another hole.
