**What can I do
today?**

This week it is ...pipe cleaners

Thursday

Bird feeder

- Put a knot in the end of a pipe cleaner.
- Give your child some wheat hoops to thread onto the pipe cleaner from one end to the other.
- When you have lots of cereal on your pipe cleaner make a hoop and hang out for the birds.
- Or thread your pipe cleaner through a paper cup, half fill your cup with bird seeds.
- Make a hook shape at the end of your pipe cleaner and then hang out your bird feeder.
