*Early Years Team*

**What can I do  
today?**

**This week it is ...toys**

## **Wednesday**

### **Storytime**

- Make up a story about your toys. Ask an adult to write this down for you. Use prompts such as:
  - Where does your toy live?
  - What do they like doing?
  - Where are they travelling to?
  - Who will they meet?

The answers to these hopefully will begin your story and ideas for adventures will follow.

- Read a book to your toys. This could be a story book, a poetry book, or a non-fiction book. Which type of book do you think different toys would like?
