**What can I do
today?**

This week it is ...toys

Thursday

Bath time

- Help your child to fill a baby bath, a bowl or your bath with warm water and bubbles. Always stay with them around water.
- Your child could wash their baby dolls in a caring way and role play looking after a baby. They could wrap them in a towel, dry and dress them before tucking them into bed.
- They could use the water to wash other toys as a way of keeping them clean and nice to use.
