

Cumbria County Council  
*Early Years Team*

**What can I do  
today?**

**This week it is ...kitchen roll**

## **Monday**

### **Magic marker pictures.**

- You need a sheet of kitchen roll and some washable markers or felt tips.
- Ask your child to draw different coloured splodges all over the sheet of paper. You could try only colouring round the edge of the paper towel or you could try drawing a pattern or picture.
- Place the sheet onto a plate and pour a little water over the towel.
- Watch to see the colours travel and mix together. You can leave the towel somewhere to dry.
