

Cumbria County Council

Early Years Team

**What can I do
today?**

This week it is ...large paper

Tuesday

Town mat

- On a large piece of paper or on the back of a roll of wallpaper, draw your own little town.
- Draw some roads, you might like to add a roundabout and a car park.
- Add some streets and buildings
- What shops will you have in your town?
- Maybe you would like to add some trees, a park, and a pond for some ducks.
- When you have finished designing your own town, add some cars, figures, and animals.
- Have fun playing with your town mat !
