

Cumbria County Council

Early Years Team

**What can I do
today?**

This week it is ...large paper

Sunday

Family artwork

- Roll out a large piece of paper.
- You could use coloured pens or paints to do your family picture.
- You could set a timer for each person.
- One person starts to draw a picture at one end of the paper.
- Start the timer, you must stop drawing when the timer runs out.
- The next person continues that picture, they could use the same colour or change colour if they choose. They stop when their time has run out and then another person continues the picture.
- See what picture you can all create together.
