

Cumbria County Council  
*Early Years Team*

**What can I do  
today?**

**This week it is ...shoes**

## **Wednesday**

### **Matching pairs**

- Gather a selection of pairs of shoes and place them in front of your child.
- Place a blindfold such as a scarf on your child and see if they can match the pairs of shoes by using touch alone.
- You could also play 'Kim's game' using a selection of pairs of shoes.
- Gather the selection of shoes and let your child look at them. Get them to close their eyes and either remove one shoe from the mixed-up selection or a pair. Can they work out which shoes are missing?
