**What can I do
today?**

This week it is ...flowers

Friday

Secret Messages

- Collect some dandelions to make some magic messages.
- Snip the end of the stalk and use it to draw or write on some white paper.
- You will need to squeeze the stalk and snip a bit more if the sap dries out.
- The message/ picture will be invisible at first.
- Place the paper in the sun, as it dries the message will appear!

ALWAYS check flowers are safe to pick (check the internet for toxic plants and flowers) It is often illegal to pick wild flowers – check first or pick from a garden with permission.
