

Cumbria County Council  
*Early Years Team*

**What can I do  
today?**

**This week it is...paper straws**

## **Monday**

### **Football**

- Make a blow football game using paper straws, paper and a small ball.
- Push two straws together and bend them to the shape of a goal post. Make a goal for each side of the pitch.
- Draw a pitch on paper. The bigger the paper the better!
- Use plasticine to support the goal post to stay up.
- Find something you can use as a ball and easily blow along using a straw.
- Enjoy the match! You could record the number of goals scored on a score card or sheet of paper.
