**What can I do  
today?**

**This week it is...paper straws**

## **Tuesday**

### **Shapes**

- Use the paper straws and some way of fixing them together to make different shapes.
- You could use plasticine or sticky tape or glue to secure the straws.
- What shapes can you make?
- Can you fix shapes together?
- Can you make shapes that stand up?
- How strong are your shapes?
- You could use cotton or wool and a few shapes to make a shape mobile to hang from the ceiling.
