

Cumbria County Council  
*Early Years Team*

**What can I do  
today?**

**This week it is...paper straws**

## **Saturday**

### **Flying Rockets**

- Draw 2 identical rockets on paper. Decorate the rockets.
- Stick the rockets together, all around the edges except the bottom edge. Leave this open. You can use sticky tape.
- Place a straw in the open edge and blow the rocket upwards.
- Your rocket will shoot up into the air.
- How high will your rocket go?
- Why do you think the rocket will not launch if it is made from card not paper?
