**What can I do
today?**

This week it is ... bags

Tuesday

Paint in a bag!

- Slide a piece of paper in a zip lock bag, add a couple of squirts of paint.
- Zip up or seal the bag.
- Use your fingers to move the paint around the bag.
- You could draw a picture or write numbers or letters with your finger.
- Try adding two different colours of paint for your child to mix and watch as the colour changes. Can they guess what colour it will be?
