Early Years Team

**What can I do
today?**

This week it is..... bags

Friday

Hide and Seek ...

- Fill a zip lock bag with dried coloured rice, pasta, or sand.
- Put a range of small objects in the bag.
- Ask your child to find as many things in the bag as they can in 10 seconds.
- Try again, see if you can find something different.
- You could take individual photos of the objects and give your child a photo and ask them to find that object.
- You could add numbers, letters, or shapes for your child to find.
