**What can I do  
today?**

**This week it is... pegs**

## **Saturday**

### **Peg races!**

- Use the bottom hem of your jumper or use a face cloth to have a pegging race!
- Ready, steady, go! Set a timer, use an egg timer, or get someone to count. Start pegging!
- Together count how many pegs you managed to peg on your jumper or face cloth. Who has more? How many more?
