

Share a Book Everyday

**Week Commencing
11 October 2021**

In Cumbria we want to promote 'Share a book every day' with early years children at home with their family and friends.

Sharing books with children is fun, it can be a time for closeness, laughing and talking together and it can also help your child to become a lifelong reader and have a love of books.

There is no right or wrong way of doing it and it is never too early to start reading to your child.

For more information see our [web page link](#) where you can find lots of ideas for sharing books with children to help them develop a love of reading and looking at books.
