

Cumbria County Council  
*Early Years Team*

**What can I do  
today?**

**This week it is... Wool**

## **Saturday**

### **Stamper**

You will need

- Wool (different widths)
- Different size blocks of wood or you could use rolled up cardboard
- Different colour paint
- Paper
  - Start by wrapping wool around all your blocks.
  - Wrap the wool around in different directions so that it makes a range of patterns and lines.
  - Dip the stamper in the paint and then stamp it onto the paper.
  - What patterns have you made?
  - Talk to your child about the different lines the stamper has made e.g. vertical line, horizontal line, diagonal line, zig zags...
