

‘Assessment’ in Primary Geography

Course Outline:

The course aims to explore the important role of both formative and summative assessment in raising standards within primary geography. We will consider how effective assessment practices can help pupils know more and remember more.

Target Audience:

Primary School Geography Subject Leaders

Course Provider:

Jon Cannell – Primary Curriculum Lead (Geographical Association)

Outcomes:

- To better understand the importance of questioning in improving and assessing pupil's attainment.
- To consider where the learners are going and how to get them there.
- To use a range a formative assessment technique to promote practise, recall and rehearsal.
- To experience and create periodic and transitional assessment tasks.

Dates and Times:

Course A: Wednesday 2 March 2022, 1.00pm – 4.00pm

Course A: Tuesday 29 March 2022, 1.00pm – 4.00pm

Course Housekeeping:

Please ensure you are familiar with Zoom and have an appropriate, confidential space available from which to join the meeting.

Training Platform:

This training will be held on Zoom – the link to this event will be sent in the reminder email from Cumbria School Services and Microsoft Outlook.

Please ensure you have fully tested Zoom before the session for accessibility and understanding of the platform. This will allow all attending to make full benefit of the time available.
