

Poppy Making Workshop 6 Oct. 10-12 At Little Sutton Community Centre

Little Sutton Sapphires WI...

invite you and your family to join us in making poppy displays for this year's Armistice Parade.

Pebble painting, wreath making and poppy displays are some of the things we will be doing.

We want to fill the village with poppies again this year and we need your help to do it. All materials are provided just come along and enjoy a morning of fun and let's make this Little Sutton's best display yet.

If you can't make it and would like to contribute we still need knitted and crocheted poppies making so email for details¹. If you previously took wool to make poppies can you arrange to drop them off so we have them for the day.

Everyone's welcome so please come and join us.
