Title: Members Devolution Questions and Answers

Summary: The notes of the questions and answers arising from the recent Cheshire and Warrington member discussions on devolution are available.

Background

Cheshire West and Chester's Full Council will meet to consider the recommendations of the Joint Committee on **Tuesday 9 September**. Cabinet will meet to make a decision following the recommendations of the Joint Committee and Full Council on **Wednesday 10 September**.

What is happening

Four all-member briefings took place on the 21 and 27 August. These briefings provided members from all three councils with an opportunity to hear the key messages within the papers that are being considered at Council.

'Member Briefing 2925: Cheshire and Warrington devolution update' was published on the 27 August and circulated the briefing presentation along with notes on the questions and answers raised at the first two sessions.

This briefing updates those notes to include the additional questions and answers raised in sessions three and four on the 27 August. The briefing presentation and a specific rurality briefing are also attached.
