

Galliford Try started on site in January 2021 to build a new 462 bedroom student accommodation building for Cassidy Group on Albany Road in Coventry.

The development is on a brownfield site off Albany Road surrounded by residential properties and live railway. Albany Road Student Accommodation will provide a mixture of studio apartments, cluster bedrooms with communal living spaces, amenity and event spaces and will add to the existing stock of high quality student

accommodation within Coventry. The project will complete in September 2022 ready for the new intake of students,

For further information, please contact our Project Manager, Martin Bloomfield, Tel: 07484 037233

### It will provide:

- Purpose-built, managed student accommodation consisting of 462 bedrooms including 95 studios, in buildings ranging up to six storeys.
- 55 student cluster and 95 self-contained student apartments.
- Event spaces, cinema room & laundry
- External landscaped courtyards
- Community space providing a new facility for local residents.
