

# Coventry City Council Early Years Training

Face shields are provided to each delegate. These provide a physical barrier between the course delegate and the dummies to ensure course delegates are completely safe.

## Paediatric First Aid courses -

### Autumn Term 2022

**Blended Learning 6-hour online learning and 6-hour practical. Before certification can be issued all delegates must complete both the online module and the practical session/s.**

#### Part one

Consists of a 6-hour online learning module.

#### Part two

This is a 6-hour practical session which is led by fully qualified and professional trainers.

All our Paediatric First Aid (PFA) courses comply with the Early Years Foundation Stage/Ofsted requirements and the PFA training provider is a member of The First Aid Industry Body (FAIB) who approve, monitor, regulate and quality assure. Certification is valid for 3 years.

All courses have revised training techniques which allow delegates to carry out all the practical skills safely. All delegates must demonstrate that they can undertake cardiopulmonary resuscitation (CPR) techniques, including effective mouth to mouth and demonstrating to the instructor that they can perform this.

#### Course content:

- The roles and responsibilities of an emergency paediatric first aider
- Appropriate contents of a first aid box and the need for recording
- Accidents and incidents
- Assessing an emergency and prioritise what action to take
- Dealing with an unresponsive infant or child who is both breathing normally and not breathing normally
- Choking
