

Claire Anderson
ThinkHigher Manager

Welcome back to a new Careers Hub for Coventry. I am thrilled to be sharing news that ThinkHigher will be the official delivery partner for Coventry Careers Hub.

Further to the closure of the CW Local Enterprise Partnership (LEP) and, subsequently, Coventry & Warwickshire Careers Hub, both local authorities will launch their own Careers Hubs respectively; Warwickshire's will be based with the Warwickshire Skills Hub while the new Coventry Careers Hub will sit within Coventry's Education Service and is being delivered by ThinkHigher on behalf of Coventry City Council. Although each hub will run independently, we will still be working closely together and collaborating across the region on exciting joint projects. It's great to have you on board!

Our operations will be led by Emma Culey who is bringing a wealth of experience from her previous role at the C&W Careers Hub where she has been an Enterprise Coordinator since its inception in 2019. Additionally, she has a background in managing projects at ThinkHigher and has held various positions within the third sector. Emma will continue to work with a reduced portfolio of schools alongside her operational hub lead responsibilities.

Jamie Ormes has over 20 years of experience working with Coventry schools, FE Colleges and Universities. He has also nurtured positive working relationships with a range of organisations and employers. He has a passion for seeing young people develop, particularly those who are placed at disadvantage within the education system.

We are delighted that ThinkHigher can continue to develop innovative work with schools, colleges and employers across Coventry to help every young person find their next best step. Emma and Jamie will be in touch very soon with exciting opportunities to get involved with.

Dear Careers Leaders, Advisors, and Leadership staff in Coventry Schools,

Welcome back to the new academic year, we hope you are settling in ahead of another busy time.

We wanted, therefore, to officially welcome you to the new Careers Hub and introduce you to ThinkHigher. As we introduce the team, the names and faces might be familiar to you!
